**Reports by Elected Officials**

Item 7.A. Presentation and Discussion of the Township Supervisor's Report.

Township Supervisor Deb Skillrud reported that she had been in communication with Cargill over the previous four to six months and was ultimately able to secure a no-cost lease agreement for property near the Township's Promoting Others to Succeed ("POTS") Recycling Program. This agreement would allow the placement of two additional cargo containers to store materials they pick up and recycle, noting that there was currently insufficient space in the warehouse due to overload.

Item 7.B. Presentation and Discussion of the Township Assessor's Report.

Township Assessor Steve Scudder briefly explained the report compared year-over-year tax rates for local municipalities and showed the City of Bloomington's rate, highlighted in yellow, had been slowly decreasing. He explained that the tax rate depended on the levy and assessed value (minus exemptions), so changes in the levy could move the rate up or down. He added that the Board of Review would close in a couple of weeks and that preliminary EAV ("Equalized Assessed Value") change figures from Board reductions would be available before Christmas.

**Adjournment**

**Trustee Hendricks made a motion, seconded by Trustee Ward, to adjourn the meeting.**
