**RE: Housing Eviction Relief Efforts**

The Housing Eviction Relief Efforts, ('HERE'), program was established as an effort to assist those impacted by housing late payment/evictions and utility late payment/disconnect relief who may not necessarily or completely qualify for documented need through the Township General Assistance or Emergency Assistance Programs. HERE provides eligible United States Citizens or non-citizens, as determined in the General Assistance Handbook Section 3.10, additional community support once all federal, state and local assistance has been exhausted.

HERE program provides assistance in the following categories:

**Residential (owner occupied) Property Taxes and Property Insurance** - Applicants who are on a low fixed income who struggle to pay property taxes and homeowners and tenant rental insurance.

**Rent or Mortgage Assistance** - Must have late payment or eviction notice. Must provide documentation showing inability to make back payment(s). Must be able to alleviate crisis and sustain rent or mortgage with amount provided by Township.

**Utility Assistance** - Must have late payment or disconnect notice. Must provide documentation showing inability to make back payment(s). Must be able to alleviate crisis with amount provided by Township.

HERE Income Limit: **2024/2025 200% Federal Poverty Level**

Working as a lead agency in the McLean County Housing Assistance Coalition, the City of Bloomington Township ('COBT') recognizes the Housing Eviction crisis that is prevalent in our community stemming from the aftermath of the pandemic and inflation.

The FY2025 Budget shows a budgeted amount of \$150,000 in our General Town Fund, earmarked for Community Agency Funding/Grant #1 to fund the Housing Eviction Relief Efforts (HERE) program again.

Consistent with Illinois Township Code, a Township is authorized to expend funds for matters related to public safety, health, and social services for those in need. Funding sources for delinquencies in rent and utilities are exhausted in our community. The HERE program will utilize the funds to specifically target the remaining past due balances up to a maximum of \$3,000 per individual/family until March 31, 2025 or until funds are exhausted, to improve the stability of our residents' housing security.

I welcome your feedback.

Sincerely,

Subject: Assessor Report

The Tax Rate Comparison Chart listed below was shared in June 2024.

As the County on Assessments continues to complete their Board of Reviews, the Township Assessor's office remains steadfast in addressing questions from the taxpayers as to why and how their property taxes have increased.

Property tax is a local tax imposed by local government taxing bodies (e.g., school bodies, municipalities, counties) and administered by local officials (e.g., township assessors, chief county assessment officers, local boards of review, county collectors). Property taxes are collected and spent at the local level.

Your tax bill is based on two factors, the equalized assessed value (EAV) of your property, and the amount of money your local taxing bodies such as local schools, municipalities and county need to operate during the coming year. Increases/decreases in EAV, new construction or changes in exemptions all factor into changes in your tax bill. The burden of these dynamic changes shift to the taxpayers.

When there is a growth in EAV because of a boom in the real-estate market, you may expect a decrease in the tax rate. This is not necessarily true. Increased EAV does not affect an increase, decrease or a flatline of Levy dollars. Levy dollars are adjusted based on the needs of the taxing bodies and the services that are provided to maintain, enhance and promote our community for the desired benefit of growth and value.

#### Tax Rates

Tax Rate Formula:  $\text{Levy} / \text{Taxable Assessed Value} = \text{Tax Rate}$

Tax Bill Formula:  $(\text{Assessed Value} - \text{Exemptions}) \times \text{Tax Rate} = \text{Tax Bill}$

The following chart shows tax rate comparisons of cities in McLean County for years 2021, 2022, and 2023 payable in the following years. The 'Municipal' column is the individual City's tax rate. The 'Aggregate' column is the total rate of McLean County.
