Regular Agenda

- A. PR-10-20** Public Hearing, review and action on an application submitted by ALDI Inc. (1 Aldi Drive Dwight, IL 60420) for a site plan review and to allow for new construction of a grocery store at the northeast corner of the intersection of Ireland Grove Road and S. Mercer Ave.. (Ward 8)

Chairperson Headean introduced the case and asked for staff presentation.

Ms. Simpson presented the staff report and stated staff is in favor of the site plan review for the proposed future Aldi store. An aerial & zoning map were presented to the commission. An overview of the zoning of the area was provided. The area is developed with commercial and retail use. Staff indicated the proposed use is compatible with surrounding uses and allowed in B-1 zoning district.

Ms. Simpson noted, this is part of the Parkway Village plan current development. Applicant will have to final plat and will do so after Council approves the site plan.

Staff reviewed the site plan with the zoning ordinance and found it complies.

Ms. Simpson highlighted a few elements which are the following:

- a) bus access b) vehicle charging stations c) bicycle parking d) and dumpster screening.

Ms. Simpson reviewed intersection and traffic flow options stating that City Engineers do not have any concerns at this time. The majority of traffic comes from State Farm where Ireland Grove Road is heavily traveled throughout the week but not as much on the weekend.

Ms. Simpson reviewed proposed building plans and materials stating that the building materials are compatible with buildings of adjacent properties.

In reviewing the Comprehensive Plan, staff identified this project as a Tier 1

Infill, redevelopment opportunity along a major commercial corridor. The project will utilize existing infrastructure and allows an additional grocery option on the south side of Bloomington.

Ms. Simpson stated the project meets the standards for a legislative site plan review as presented and described.

Questions by Commission for staff: None

Chairperson Headean opened the public hearing. Chairperson Headean swore in Kyle Wood, MS Consultants. Mr. Wood thanked Ms. Simpson for her presentation of the project and stated that this project has been in discussion for the last two years. Mr. Wood confirmed he is the engineer & architect for Aldi. Mr. Wood stated this area would benefit the residents on the south side of Bloomington.

There were no additional persons to speak for or against the petition. Chairperson Headean closed the public hearing.

Chairperson Headean reviewed the two motions needed by the commission for this case: 1) Findings of fact and 2) Approval of the site plan

Commissioner Stanczak made a motion, seconded by Commissioner Muehleck, to accept the Findings of fact as presented in the staff report. Roll call vote:

AYES: Stanczak; Daneberger; Boyd; Muehleck; Krieger; Mohr; McCann; Montney & Chairperson Headean

NAYS: None.

Motion carried.

Commissioner Muehleck made a motion, seconded by Commissioner Krieger to recommend City Council approve the Aldi site plan. Roll call vote:

AYES: Stanczak; Daneberger; Boyd; Muehleck; Krieger; Mohr; McCann; Montney & Chairperson Headean

NAYS: None.

Motion carried.

Ms. Simpson anticipates the case would go before City Council on November 23, 2020.

- B. Z-23-20 Public Hearing, review and action on a text amendment to the Bloomington Zoning Ordinance, Chapter 44 of the Bloomington City Code, establishing the R-D, Downtown Residence District.**

Chairperson Headean introduced the case and asked for presentation from Jackie Wells of Houseal Lavinge.

Ms. Wells shared an overview of the project, history and recommendations of the R-D District. The presentation included both the text & map amendment to the Bloomington Zoning Ordinance establishing the R-D, Downtown Residence District. Ms. Wells shared information as to why the R-3B District was analyzed, stating during the Zoning Ordinance

update process concerns were brought forth regarding the R-3B. The Planning Commission recommended that the Zoning Ordinance be approved with further study of the R-3B around the downtown and Council adopted in 2019 a resolution initiating the study.

Ms. Wells mapped out the R-3B Zoning District Analysis and identified action taken:

- A) Review of existing policy gathering information from Bring it on Bloomington!, West Bloomington Neighborhood Plan & Dimmit's Grove Neighborhood Plan
- B) Map of regeneration & preservation plan
- C) Original District Purpose Statement from the 1960's noting seventy (70) dwelling unit per acre, highly concentrated multiple-family development
- D) 2018 Purpose District - Current mixed of residential types, due to the lack of policy direction the maximum density of seventy (70) dwelling units per. This concerned residents most.
- E) Overview of parcels identified
- F) Community Outreach was conducted with 2 workshops : 1) Regeneration & 2) Preservation area for input to vision of the neighborhoods

Ms. Wells reviewed the recommended policy direction and reviewed the properties that would be impacted the new map amendments.

Ms. Wells reviewed the purposed statement for the R-D Downtown Neighborhood Residence District, the intent, the alignment with current development and support for historic character.

Presentation included comparison on the existing R-3B Multi-Family Residence District and the proposed R-D Downtown Residence District. Highlights shared that the R-3B does allow up to 70 dwelling units per acre while the proposed R-D would allow up to 43 dwelling units per acre.

Continued presentation of recommended amendments included dimensional standards for both districts stating the R-3B is typical Euclidean zoning district and that the properties located by the downtown pose unique development not fitting into that type district. The R-D standards measure on a block average. It is recommended that design guidelines be included, allowing for conditional use of offices and multifamily dwellings.

Visual models where presented with existing and potential development pointing out the R-D is more in line what the existing buildings on the properties making the growth more in line with current development.

Ms. Simpson stated that there was a public Q & A held on October 27, 2020 with two sessions available to the public. Members of the public attended and asked questions of the staff and consultants. These sessions were live streamed on YouTube and available for viewing.

Ms. Simpson presented the email from Karen Schmidt & John Elterich.

Questions, from Ms. Schmidt's email were addressed, stating that Dimmit's Grove is currently broken into two zoning districts R-3B & R-2. The properties have been identified for the R-3B to R-D included in the study area. The R-2 will remain as R-2 as not part of the focus of the scope of the analysis for the R-3B to R-D.

Discussion continued with the Commission and consultants as to non-conforming lots, design standards, spot zoning & district rezoning.

Additional question from Karen Schmidt's email was to the number of uses permitted in the R-D and it was identified that the uses are already permitted in the R-3B District. Commercial uses are the same with the exception of office conversions. It was asked of the consultants if eating establishments would be considered. Based on residence input and existing uses, they would not be considered with the recommendation.

John Houseal, Houseal Lavigne introduced himself. Mr. Houseal discussed non-conformity of potential rezoning. The rezoning approach would create non-conforming over the balance of the neighborhood. When establishing a new zoning, it is standard practice to take a balanced approach while keeping the character of an established neighborhood.

It was noted that the Planning Commission did have extensive conversations and extensive review with the direction to take when creating the scope of work to be presented to Housel Lavigne with focus on the areas that wouldn't create the non-conformity.

Types of non-conformity were discussed as being measured in the lot, building and use.

Ms. Simpson presented the email from Greg Koos. Mr. Koos stated support of the R-D proposal.

Continued discussion involved the definition of missing middle option and Euclidian zoning as referenced in Ms. Wells's presentation.

Additional discussion involved comments (footnote) on the table of permitted uses: 1) accessory dwelling units & 2) Clothing care and impacts on the community. A drycleaner & coin laundry should be considered separately.

Chairperson Headean opened the public hearing.

Chairperson Headean swore in Mark Kudrys for the record and was present at City Hall.

Mr. Kudrys state he owns properties that would be affected by the new R-D District and had questions for the staff and consultants. Questions and discussion ensued development of the area, R-D proposal generating new development, TIF incentives possibilities, Historic Preservation grants, existing structures to remain, promote uses and development would be compatible with current structures, investment of the neighborhood.

Mr. Kudrys questioned the permitting process with the area being more conforming. City staff would meet with petitioner and discuss setbacks and existing block. As an owner of an owner of Commercial property, discussion included potential residential options would increase.

Commissioner Mohr excused himself from the meeting. George Boyle asked to recess until all members are present. Mr. Boyle reviewed motions needed by the Commission.

Chairperson Headean swore in Brad Williams for the record. Mr. Williams testified that has been a resident for 41 years Dimmit's Grove. The area is mostly single-family homes. He would like the neighborhood to maintain the existing integrity with the recommendation. There is a lot of diversity in the neighborhood and that is part of the charm & fabric of the neighborhood. Mr. Williams stated that he has concerns with permitted uses and is not fully on board with the R-D recommendation.

Commission questions for Mr. Williams. None

Chairperson Headean swore in Andrew Hunt for the record. Mr. Hunt stated he is a property owner that would be impacted and changed to R-2 zoning. His property is located on the northeast corner of area and currently zoned R-3B. If rezoned to R-2 it would create a non-conforming situation for his property. Mr. Hunt asked the commission to exclude the properties from the recommend map amendment and keep as R-3B

Commission & staff clarified the properties that would be affected in Mr. Hunt's statement. Staff is supportive of keeping the parcels as R-3B. Ms. Simpson referred to the meeting packet and exhibit B as to the addresses of the said properties.

There were no additional persons to speak for or against the petition. Chairperson Headean closed the public hearing.

There was continued discussion by the Commission and motion review & recommendation.

Commissioner Mohr made a motion, seconded by Commissioner Stanczak that the finding of fact of the text amendment is in the public's best interest. Roll call vote:

AYES: Stanczak; Daneberger; Boyd; Muehleck; Krieger; Mohr; McCann; Montney & Chairperson Headean

NAYS: None.

Motion carried.

Commissioner Krieger made a motion, seconded by Commissioner Stanczak recommending City Council adopt the proposed text amendment. Roll call vote:

AYES: Stanczak; Daneberger; Boyd; Muehleck; Krieger; Mohr; McCann; Montney & Chairperson Headean

NAYS: None.

Motion carried.

C. Z-24-20 Public Hearing, review and action on map amendments to the Official Zoning Map for properties in the City of Bloomington impacted by the creation of the R-D District.

Chairperson Headean introduced the case and explained that both the text amendment and the map amendment were presented together by Housel Lavine along with the public comment portion.

Chairperson Headean opened up public hearing, there were no additional persons registered to speak in favor or against. Chairperson Headean closed the public hearing.

Commission Boyd made a motion, Seconded by Commission Mohr to accept the Findings of fact in the public's best interest.

Commission Krieger left the meeting at 5:29 pm

Commission Boyd retracted motion.

Commissioner Boyd made a motion, seconded by Commission Mohr to exclude the following addresses from the map amendment and to leave as R-3B: 506,508,608 & 510 E. Locust Street. Roll call vote:

AYES: Stanczak; Daneberger; Boyd; Muehleck; Mohr; McCann; Montney & Chairperson Headean

NAYS: None.

Motion carried.

Commission discussion confirmed that the properties would remain as R-3B and not rezone to R-2.

Commissioner Boyd made a motion, seconded by Commissioner Stanczak that the Findings of fact are in the public's best interest. Roll call vote:

AYES: Stanczak; Daneberger; Boyd; Muehleck; Mohr; McCann; Montney & Chairperson Headean

NAYS: None.

Motion carried.

Commissioner Boyd made a motion, seconded by Commissioner Muehleck recommending to City Council the approval of the map amendments with the exceptions previously stated.

Z-21-20 Rezoning from B-2 to R-2 for 806 S Morris Ave

Z-22-20 Rezoning from B-2 to R-2 for 829 W. Elm Street

PROJECT DESCRIPTION

Background: 806 S. Morris Ave and 829 W. Elm Street are located at the northeast corner of the intersection of W. Elm Street and S. Morris Ave. Morris Avenue has an average of 5900 trips daily and is a Collector Street. W. Elm Street is a local road that terminates and does not connect to streets east of Morris. The subject properties are improved with single-family homes built in the 1920's. The subject properties are adjacent to other single-family homes, also built around the same period.

In August 2020, the Planning Commission received a request from the property owner at 808 S. Morris Ave to rezone the property from B-2 to R-2. City Council approved the map amendment and, at the recommendation of the Planning Commission, passed a Resolution (Res. 2020-26) initiating the map amendments for the subject properties. The Commission and the Council found the amendment from B-2 to R-2 to be consistent with the development trend for the block, compatible with the surrounding districts and uses, and in the public interest because it promotes housing affordability. All three homes (808, 806 and 829) appear to be in good structural condition. Under the B-2 Zoning Classification, the single-family homes on the subject properties are considered legal nonconforming. The commercial redevelopment potential of these properties is limited by their size. The proposed map amendment eliminates the legal nonconforming status and encourages reinvestment in the homes and neighborhood preservation.

Project Description: The city is recommending a zoning map amendment at 806 S. Morris Ave and 829 W. Elm Street from B-2 Local Commercial District to R-2 Mixed Residence District to promote the preservation of the existing single-family homes and to encourage continued protection of the neighborhood character.

Purpose and Intent

B-2-Local Commercial District

The intent of this B-2 Local Commercial District is to provide retail, commercial and service establishments, including retail stores and personal service facilities, which serve the frequently recurring needs of surrounding local employment areas and residential neighborhoods. In addition to serving commercial purposes, this district encourages a mix of land uses, continued community investment through infill and site renovations, and a development form that supports mixed transportation modes, such as bicycle, pedestrian, and public transportation in addition to personal vehicles. Neighborhood shopping centers, particularly with a supermarket as a principal or anchor tenant, are appropriate at prominent intersections. The protection of surrounding residential properties from adverse impacts is a primary focus of this district.

R-2 Mixed Residence District: The R-2 Residence District is intended to accommodate development characterized by a mixture of housing types at a high single-family and a low

multiple-family dwelling unit density. Densities of up to approximately 13 dwelling units per acre are allowed. This district allows for the conversion of dwelling units in older residential areas of mixed dwelling unit types in order to extend the economic life of these structures and allow owners to justify expenditures for repairs and modernization and serves as a zone of transition between lower density residential districts and residential districts that permit greater land use intensity and dwelling unit density

Link to Comprehensive Plan:

N-1.2d Identify and eliminate the barriers for infill development.

H-1.1 Ensure that the housing to accommodate the new growth is a broad range (of types, sizes, ages, densities, tenancies and costs) equitably distributed throughout the City recognizing changing trends in age-group composition, income, and family living habits.

FINDINGS OF FACT

The Zoning Ordinance has “*Zoning Map Amendment Guidelines*” and by states, “*In making its legislative determination to zone or rezone property to a B-2 Local Commercial zoning classification, the Planning Commission and City Council may apply the following guidelines to the proposal under consideration:*

1. *The suitability of the subject property for uses authorized by the existing zoning;* The subject properties are less than an acre, and the commercial zoning on the northeast corner is no longer conducive to redevelopment given its limited size. The developable area is too small; the existing zoning is no longer suitable for the subject properties and could be injurious to the adjacent neighborhood and existing single-family homes as it may discourage neighborhood investment. **The standard is met.**
2. *The length of time the property has remained vacant as zoned considered in the context of land development in the area;* these properties have been used as single-family homes for decades. The feasibility of redeveloping the property with a commercial use is very low. There is little market demand for commercial uses in this location, and the existing single-family structures are in excellent condition. **The standard is met.**
3. *The suitability of the subject property for uses authorized by the proposed zoning;* The proposed zoning will allow the properties to continue to be used as single-family homes. The residential zoning is consistent with the neighborhood character and adjacent uses. The residential zoning classification can also eliminate a nonconforming status on the properties and decrease barriers to financing for reinvestment in the neighborhood. **The standard is met.**
4. *The existing land uses and zoning of nearby property;* Neighborhood commercial is provided at the intersection of Wood and Morris Ave, and across the street. The adjacent zoning is residential. The proposed zoning is compatible with adjacent residential and protects the neighborhood character. **The standard is met.**
5. *Relative gain or hardship to the public as contrasted and compared to the hardship or gain of the individual property owner resulting from the approval or denial of the zoning*

amendment application; The proposed zoning will eliminate a nonconforming status of the subject properties. The proposed zoning will encourage single-family residential development on these lots in the future, consistent with the adjacent uses and structure.

The standard is met.

6. *The extent to which adequate streets are connected to the arterial street system and are available or can be reasonably supplied to serve the uses permitted in the proposed zoning classification;* W. Elm Street is not suitable for commercial. The street terminates but no cul-de-sac exists. Large delivery trucks and commercial vehicles would not be able to turn around. The street is better suited for residential uses and the uses allowed in the proposed zoning district. **The standard is met.**
7. *The extent to which the proposed amendment is consistent with the need to minimize flood damage and the development of the subject property for the uses permitted in the proposed zoning classification will not have a substantial detrimental effect on the drainage patterns in the area;* the uses contemplated in the proposed zoning district require less impervious area than the uses and parking required in the existing commercial zoning. **The standard is met.**
8. *The extent to which adequate services (including but not limited to fire and police protection, schools, water supply, and sewage disposal facilities) are available or can be reasonably supplied to serve the uses permitted in the proposed zoning classification;* The properties are currently served by school, water, fire, police etc. the proposed zoning classification will have no change on this. **The standard is met.**
9. *The extent to which the proposed amendment is consistent with the public interest, giving due consideration for the purpose and intent of this Code as set forth in 17-1 herein;* the proposed amendment will permit the existing use and existing structures, allowing for their continued use and operation. **The standard is met.**
10. *The extent to which property values are diminished by the particular zoning restriction;* No changes in property values are expected to result from this zoning map amendment. However, eliminating the nonconforming status will allow owners access to financing so they can reinvest in the area. **The standard is met.**
11. *The extent to which the destruction of property values promotes the health, safety, morals, or general welfare of the public;* the proposed zoning will eliminate a nonconforming use. **The standard is met.**
12. *Whether a comprehensive plan for land use and development exists, and whether the ordinance is in harmony with it;* The future land use map recognizes the four corners of Morris and Wood as commercial. The area surrounding this is residential. The proposed zoning aligns with the broader goals of the Comprehensive Plan such as preserving neighborhood values and character. **The standard is met.**
13. *And whether the City needs the proposed use;* the proposed zoning is consistent with the

Agenda Items: 5A and 5B.
Z-21-20 Rezoning from B-2 to R-2 for 806 S Morris Ave
Z-22-20 Rezoning from B-2 to R-2 for 829 W. Elm Street

existing uses and protects the neighborhood character. **The standard is met.**

STAFF RECOMMENDATION: Staff finds the application meets the standards for a map amendment. Staff recommends that the Planning Commission pass the following motions:

- That Planning Commission **recommend approval** of the rezoning of 806 S Morris Ave from B-2 Local Business District to R-2 Mixed Residence District (Z-21-20)
- That Planning Commission **recommend approval** of the rezoning of 829 W. Elm Street S Morris Ave from B-2 Local Business District to R-2 Mixed Residence District (Z-22-20).

RESOLUTION NO. 2020 - 26

**A RESOLUTION INITIATING ZONING MAP AMENDMENTS FOR PROPERTY LOCATED AT
806 S. MORRIS AVE. AND 829 W. ELM ST. FROM B-2 LOCAL COMMERCIAL DISTRICT
TO R-2 MIXED RESIDENCE DISTRICT**

WHEREAS, there was heretofore filed with the Community Development Department of the City of Bloomington, McLean County, Illinois, a petition requesting to rezone the property at 808 S Morris Ave from B-2 Local Commercial District to R-2 Mixed Residence District; and

WHEREAS, the Bloomington Planning Commission, after proper notice was given, conducted a public hearing on said petition and found the current zoning, B-2, is no longer be appropriate and that the proposed zoning, R-2, is more compatible with the surrounding uses and surrounding development, and

WHEREAS, the Commission further recommended that the City Council investigate and initiate the rezoning of the adjacent parcels located at 806 S. Morris Ave., and 829 W. Elm Street, hereinafter described in Exhibit "A" attached to this Resolution, which are improved with single-family homes and are also currently zoned B-2, Local Commercial District; and

WHEREAS, the City Council is authorized to adopt this Resolution and initiate a petition and public hearing to rezone 806 S. Morris Ave. and 829 W. Elm Street.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Bloomington, McLean County, Illinois:

1. The above recitals are incorporated into and made a part of this resolution as though fully set forth herein.
2. That City staff and the Bloomington Planning Commission, after proper notice is given to the property owner and the community, shall hold a public hearing on map amendments to rezone 806 S. Morris Ave. and 829 W. Elm Street from B-2 Local Commercial District to R-2 Mixed Residence District.
3. That this Resolution shall be in full force and effective as the time of its passage.

PASSED on this 28th day of September 2020.

APPROVED on this 30th day of September 2020.

Chapter 44. Zoning

Article V. Business District Regulations

§ 44-502. [Ch. 44, 5-2] Permitted uses.

Refer to Article **XVII**, Definitions, for clarity on the uses listed.

A. Land uses. Uses are allowed in the Business Districts in accordance with Table 502A. The following key is to be used in conjunction with the Use Table.

- (1) Permitted uses. A "P" indicates that a use is considered permitted within that district as of right subject to compliance with all other requirements of this Code.
- (2) Special uses. An "S" indicates that a use is permitted, though its approval requires review by the City Council as required in Article **XVII**, subject to compliance with all other requirements of this Code and contingent upon conditions of approval which may be imposed by the City.
- (3) Uses not permitted. A blank space or the absence of the use from the table indicates that the use is not permitted within that district.
- (4) Use regulations. Many allowed uses, whether permitted by right or as a Special Use, are subject to compliance with Article **XVII**.
- (5) Unlisted uses. If an application is submitted for a use not listed, the Zoning Enforcement Officer shall make a determination as to the proper zoning district and use classification for the new or unlisted use. If no permitted or special use is similar in character, intensity, and operations to that of the proposed use, a text amendment may be initiated pursuant to Article **XVII** to establish parameters for permitting such use within the City of Bloomington.

Article IV. Residential District Regulations

§ 44-402. [Ch. 44, 4-2] Residential districts - permitted and special uses.

Refer to Article **XVI**, Definitions, for clarity on the uses listed.

A. Land uses. Uses are allowed in the Residential Districts in accordance with Table 402A. The following key is to be used in conjunction with the Use Table.

- (1) Permitted uses. A "P" indicates that a use is considered permitted within that district as of right subject to compliance with all other requirements of this Ordinance.
- (2) Special uses. An "S" indicates that a use is permitted, though its approval requires review by the City Council as required in Article **XVII**, subject to compliance with all other requirements of this Code and contingent upon conditions of approval which may be imposed by the City.
- (3) Uses not permitted. A blank space or the absence of the use from the table indicates that the use is not permitted within that district.
- (4) Use regulations. Many allowed uses, whether permitted by right or as a Special Use, are subject to compliance with Article **XVII**.
- (5) Unlisted uses. If an application is submitted for a use not listed, the Zoning Enforcement Officer shall make a determination as to the proper zoning district and use classification for the new or unlisted use. If no permitted or special use is similar in character, intensity, and operations to that of the proposed use, a text amendment may be initiated pursuant to Article **XVII** to establish parameters for permitting such use within the City of Bloomington.

Subject: Proposed zoning change for properties located at 806 S. Morris & 829 W. Elm

Dear property owner:

We are writing to inform you that the City of Bloomington City Council passed a Resolution No 2020-26 on September 28, 2020 requesting the initiation of a zoning change for the following properties:

Address	Current Zoning	Proposed Zoning
806 S. Morris	B-2	R-2
829 W. Elm	B-2	R-2

The current zoning designation for your property is B-2, Local Commercial District. This classification is to provide retail, commercial and service establishments. The proposed zoning change to R-2, Mixed Residence District would allow development of a mixture of housing types. Essentially, this change in zoning will allow for single family homes.

We are sending you this notice because you own property that would be affected by this proposed zoning change. Attached to this notice is a map of the area to be rezoned, a list of permitted uses for the B-2, Local Commercial District as well as a list of uses in the proposed R-2, Mixed Residence District.

A public hearing for a proposed zoning changes will be held by the City of Bloomington Planning Commission on December 9, 2020 at the City of Bloomington City Council Chambers, 109 E. Olive Street, at 4:00 pm. To provide testimony on this item please register at least 15 minutes in advance of the start of the meeting at <https://www.cityblm.org/register>. Public comments can also be emailed at least 15 minutes prior to the start of the meeting to publiccomment@cityblm.org. Members of the public may also attend the meeting at City Hall at 109 E. Olive Street, Bloomington IL 61701. Members of the public may also attend the meeting at City Hall. Attendance will be limited to 10 people and will require compliance with City Hall COVID-19 protocols and social distancing. The rules for participation by physical attendance may be subject to change due to changes in law or to executive orders relation to the COVID-19 pandemic occurring after the publication of this notice. Changes will be posted at www.cityblm.org/register. This hearing will be accessible to individuals with disabilities in compliance with the ADA and other applicable laws. For special needs please contact the City Clerk at 109 E. Olive St., Bloomington, (309) 434-2240, cityclerk@cityblm.org or TTY at (309) 829-5115.

If you have additional questions or for further information, please contact the City of Bloomington Economic & Community Development Department at (309) 434-2226. 4-2 – RESIDENTIAL DISTRICTS - PERMITTED AND SPECIAL USES

Refer to Division 16 Definitions for clarity on the uses listed.

- A. Land Uses. Uses are allowed in the Residential Districts in accordance with Table 4-2(A). The following key is to be used in conjunction with the Use Table.
1. Permitted Uses. A “P” indicates that a use is considered permitted within that district as of right subject to compliance with all other requirements of this Ordinance.
 2. Special Uses. An “S” indicates that a use is permitted, though its approval requires review by the City Council as required in Division 17, subject to compliance with all other requirements of this Code and contingent upon conditions of approval which may be imposed by the city.
 3. Uses Not Permitted. A blank space or the absence of the use from the table indicates that the use is not permitted within that district.
 4. Use Regulations. Many allowed uses, whether permitted by right or as a Special Use, are subject to compliance with Division 17.
 5. Unlisted Uses. If an application is submitted for a use not listed, the Zoning Enforcement Officer shall make a determination as to the proper zoning district and use classification for the new or unlisted use. If no permitted or special use is similar in character, intensity, and operations to that of the proposed use, a text amendment may be initiated pursuant to Division 17 to establish parameters for permitting such use within the City of Bloomington.

Subject: Proposed zoning change for properties located at 806 S. Morris & 829 W. Elm

Dear resident or property owner:

On September 28, 2020 the City of Bloomington City Council passed Resolution No. 2020-26 initiating the rezoning process for 806 S. Morris & 829 W. Elm to R-2, Mixed Residence District. **The Planning Commission of the City of Bloomington, Illinois, will hold a public hearing on Wednesday, December 9, 2020 at 4:00 p.m. in the City Hall Council Chambers, 109 E. Olive St., Bloomington, Illinois,** to hear testimony on the Resolution from the City of Bloomington (COB) requesting to rezone properties located at the 806 S. Morris & 829 W. Elm from B-2, General Business District to, R-2 Mixed Residence District. The following petitions will be reviewed at the hearing:

Petitioner	Address	Legal Description	PIN	Current Zoning	Proposed Zoning
COB	806 S. Morris	LAWRENCE SUBN LOT 16 SUBN NE 8-23-2E N43' LOT 10 & N43' W1/2 LOT 11 & S1/2 VAC ALLEY LYG N & ADJ	21-08-228-003	B-2	R-2
COB	829 W. Elm	LAWRENCE SUBN LOT 16 SUBN NE 8-23-2E E1/2 LOT 11 & ALL LOTS 12 & 13 & VAC ALLEY LYG N & ADJ	21-08-228-013	B-2	R-2

The current zoning designation B-2, Local Commercial District provides retail, commercial and service establishments. The proposed zoning change to R-2, Mixed Residence District would allow development of a mixture of housing types. Essentially, this change in zoning will allow for single family homes.

We are sending you this courtesy notice because you own property within 500 feet of the land described above (a map is attached for reference).

To provide testimony on this item please register at least 15 minutes in advance of the start of the meeting at <https://www.cityblm.org/register>. Public comments can also be emailed at least 15 minutes prior to the start of the meeting to publiccomment@cityblm.org. Members of the public may also attend the meeting at City Hall at 109 E. Olive Street, Bloomington IL 61701.

Members of the public may also attend the meeting at City Hall.

Attendance will be limited to 10 people and will require compliance with City Hall COVID-19 protocols and social distancing. The rules for participation by physical attendance may be subject to change due to changes in law or to executive orders relation to the COVID-19 pandemic occurring after the publication of this notice. Changes will be posted at www.cityblm.org/register.

This hearing will be accessible to individuals with disabilities in compliance with the ADA and other applicable laws. For special needs please contact the City Clerk at 109 E. Olive St., Bloomington, (309) 434-2240, cityclerk@cityblm.org or TTY at (309) 829-5115.

If you have additional questions or for further information, please contact the City of Bloomington Economic & Community Development Department at (309) 434-2226.

Respectfully,
Katie Simpson
City Planner

Going to the dogs

By FRANK STEWART
 Tribune Content Agency

"My wife is upset with me, she's unhappy. I'm in the club lounge." "She says I spend money on ridiculous things." "She told me you bought a tuxedo for your dog." "I sighed. "I bought a tuxedo for your dog." "She's getting married," Louie said solemnly. "Louie's wife might be more tolerant if he didn't lose so much in his Chicago games, but Louie was declared at today's loss. Louie's wife said she was a dummy's ace of diamonds and led a trump to his jack. West won the trick. Louie then took the K-A of spades and ruffed a low spade in dummy in case of a 4-2 break.

LAST SPADE

When Fast discarded, Louie led another trump. Alas, West won and led his last spade, and Fast ruffed for down one. "Louie chuckled 1,230 points, worth enough to buy a case of dog treats for the reception. After he wins the first trick, he takes the K-A of spades, ruffs a spade and leads a trump. If West plays low, Louie ruffs another spade in dummy, leads a club to his king and forces out the ace of trumps. The slam is safe. (A crosscut also works.)

**CITY OF BLOOMINGTON
REPORT FOR THE
PLANNING COMMISSION
December 9, 2020**

CASE NUMBER:	SUBJECT PROPERTY:	TYPE:	SUBMITTED BY:
Z-28-20	6.06 acres of the property identified as PIN: 15-31-278-003, 1531-276-026, and 15-31-279-006	Rezone	Caitlin Kelly, Assistant City Planner
PETITIONER'S REQUEST:	Rezone a portion of the subject properties from B-1 General Commercial District to R-2 Mixed Residence District and R-3A Multiple-Family Residence District.		
Staff finds that the petition meets the Zoning Ordinance's map amendment guidelines for the R-2 Mixed Residence District and R-3A Multiple-Family Residence District.			

STAFF RECOMMENDATION:

Staff recommends the Planning Commission take the following actions/pass the following motions:

- 1) Motion to establish a finding of fact
- 2) Motion to recommend approval of the rezoning of 6.06 acres of the property identified as PIN: 15-31-278-003, 1531-276-026, and 15-31-279-006 from B-1 General Commercial District to R-2 Mixed Residence District and R-3A Multiple-Family Residence District.

ANALYSIS

This report is based on the following documents, which are on file with the Economic & Community Development Department:

1. Petition for Zoning Map Amendment
2. Aerial photographs
3. Zoning Map

PROJECT DESCRIPTION

Background: The subject sites account for approximately six acres of two larger parcels belonging to the Hawthorne Commercial Subdivision, directly to the south of General Electric (GE) Road and east of Towanda Barnes Road. Since the subdivision's establishment in 2001, some commercial and residential development has occurred on the northern parcels, including insurance and medical offices, an assisted living facility, beauty salons, a Hindu temple, the Scribbles Center for Learning, and multi-unit townhomes. Much of the southern and eastern segments of the subdivision remain vacant, although a hotel has been developed to the northeast.

Beyond the commercial properties to the north, on the other side of General Electric Road, are single-family homes zoned R-1B. The Sapphire Lake Subdivision, zoned R-2 Mixed Residence District, directly abuts the western portions of the subject properties. More commercially zoned parcels, publicly-owned land, and the Central Illinois Regional Airport lie to the south. To the east, there are large tracts of unincorporated agricultural land.

City Council granted a special use permit to construct townhomes on the property directly to the north of the westernmost subject property in 2018. Since then, two five-unit townhouses have been constructed and at least one unit sold.

Figure 2: One of the townhomes permitted via special use permit

Project Description: The applicant has submitted a zoning map amendment request to rezone approximately three acres of the 4.86 acre western parcel from B-1 to R-2, Mixed Residence District, and 3.11 acres of the nearly 13 acre eastern parcel from B-1 to R-3A, Multiple-Family Residence District. The applicant describes difficulty building out the Hawthorne Commercial Subdivision with strictly commercial uses, seeking to stimulate the development of the area with a mix of residential and commercial properties instead. Much of the property has remained undeveloped since 2001.

The purpose and permitted uses of these districts are attached to this report. Crucially, the B-1 District does not permit residential development, allowing instead for retail, medical offices, gas stations, and restaurants, among other commercial uses. The proposed R-2 classification permits single- and two-family units by right at a density of up to 13 units per acre. The district permits single-family attached units, such as townhomes, as a special use. R-3A Districts permit multi-family dwelling units in addition to single- and two-family residences by right with a density between 12 to 29 units per acre. The R-3A District also permits some light commercial uses such as a sports and fitness center or community center as a special use.

PURPOSE AND INTENT

B-1 General Commercial District. The intent of this B-1 General Commercial District is to facilitate the development of community and regional commercial areas. Customers in this district will generally use a motor vehicle to reach a desired establishment. The development contemplated in this district has such distinguishing characteristics as unified site planning and

development that promotes a safe and conducive atmosphere for large volumes of shoppers; site accessibility such that the high volumes of traffic generated create minimal congestion and adverse impact upon surrounding land use; and unified architectural treatment of buildings rather than an assemblage of separate, conflicting store and structural types.

R-2 Mixed Residence District. The R-2 Residence District is intended to accommodate development characterized by a mixture of housing types at a high single-family and a low multiple-family dwelling unit density. Densities of up to approximately 13 dwelling units per acre are allowed. This district allows for the conversion of dwelling units in older residential areas of mixed dwelling unit types in order to extend the economic life of these structures and allow owners to justify expenditures for repairs and modernization and serves as a zone of transition between lower density residential districts and residential districts that permit greater land use intensity and dwelling unit density.

R-3A Multiple-Family Residence District. The R-3A Residence District is intended to facilitate the development of residential districts for primarily multiple-family dwelling units which may generally serve as a zone of transition between nonresidential districts and residential districts of more moderate density. This district is further intended to provide for the needs of persons desiring multiple-family dwelling units at densities from 12 to 29 dwelling units per acre.

Link to Comprehensive Plan:

The Comprehensive Plan's Future Land Use map identifies the subject properties as "Employment Centers," adjacent to low- and medium-density residential areas as well as to an "emerging" commercial activity center. The Land Use Priorities map lists the properties as Tier-1, or vacant and under-utilized land for infill development or redevelopment. Further, the subject property is located within the Stable Area, as identified in Figure 4.1 of the Comprehensive Plan. The Plan suggests identifying opportunities to gradually transition the low-density residential developments in the Stable Areas into mixed use, walkable neighborhoods that appeal to all residents (N-1.4).

FINDINGS OF FACT

The Zoning Ordinance has "*Zoning Map Amendment Guidelines*" and by states, "*In making its legislative determination to zone or rezone property, the Planning Commission and City Council may apply the following guidelines to the proposal under consideration:*

1. *The suitability of the subject property for uses authorized by the existing zoning;* the subject properties have been vacant for almost two decades. The existing zoning district allows for various commercial uses like restaurants, recreational facilities, offices and retail. However, given a lack of market demand for these uses, the applicant seeks to develop a portion of the properties for residential uses. **The standard is met.**
2. *The length of time the property has remained vacant as zoned considered in the context of land development in the area;* These parcels have been vacant at least since the Hawthorne Commercial Subdivision began development in 2001. Adjacent parcels to the north which were previously vacant have since been developed with a mix of residential and commercial uses. **The standard is met.**

3. *The suitability of the subject property for uses authorized by the proposed zoning;* With the construction of multi-family townhomes on the western side of Woodbine Road, the development pattern of the area is trending toward a mix of residential and commercial uses. The R-2 Zoning District permits single- and two-family dwellings, while R-3A allows the former in addition to multi-family dwelling units. If the rezoning is granted, these parcels may serve as a transitional buffer into the lower-density residential uses of properties to the west. It should be noted that the eastern portion of the lot lies within the 60 Ldn Airport Noise Impact Zone; residential construction is allowed within this zone so long as the building incorporates sound insulation materials as set out in Ch. 44, 8-2B2. **The standard is met.**
4. *The existing land uses and zoning of nearby property;* Immediately adjacent properties are zoned for commercial and low-density residential uses. The commercial center to the north includes educational and religious facilities, offices, and personal services, while the parcel directly to the north of the proposed R-2 rezoning received a special use permit to develop multi-family townhomes. **The standard is met.**
5. *Relative gain or hardship to the public as contrasted and compared to the hardship or gain of the individual property owner resulting from the approval or denial of the zoning amendment application;* The proposed rezoning may enable infill development on parcels which have been vacant for many years, adding to the available housing stock and providing a mutual benefit to the public and to the individual property owner. **The standard is met.**
6. *The extent to which adequate streets are connected to the arterial street system and are available or can be reasonably supplied to serve the uses permitted in the proposed zoning classification;* Presently, Woodbine Road connects to General Electric Road to the north. If further development is to occur, Woodbine can reasonably be extended southward to Pamela Drive. **The standard is met.**
7. *The extent to which the proposed amendment is consistent with the need to minimize flood damage and the development of the subject property for the uses permitted in the proposed zoning classification will not have a substantial detrimental effect on the drainage patterns in the area;* The properties lie in an area of minimal flood hazard according to FEMA flood hazard data. Differing site design and off-street parking requirements for residential uses may result in similar or fewer amounts of impermeable surface area than if the sites were developed for strictly commercial uses. **The standard is met.**
8. *The extent to which adequate services (including but not limited to fire and police protection, schools, water supply, and sewage disposal facilities) are available or can be reasonably supplied to serve the uses permitted in the proposed zoning classification;* Access to services and utilities is currently provided to the Sapphire Lake residential subdivision to the west of the subject properties, and the area is served by Unit 5 Schools, the Bloomington Library, and Bloomington Police and Fire. Importantly,

access to storm and sanitary sewerage runs through a portion of PIN 15-31-278-003.
The standard is met.

9. *The extent to which the proposed amendment is consistent with the public interest, giving due consideration for the purpose and intent of this Code as set forth in 17-1 herein;*
The zoning amendment would facilitate housing development for Bloomington residents, as well as provide a transitional buffer between higher intensity commercial uses and neighboring residential uses, thus yielding a public benefit on multiple levels.
The standard is met.

10. *The extent to which property values are diminished by the particular zoning restriction;*
The subject properties' current general commercial zoning permits uses that may negatively impact surrounding residents and residential property values, including gas stations, truck stops, and commercial cleaning or repair services. **The standard is met.**

11. *The extent to which the destruction of property values promotes the health, safety, morals, or general welfare of the public;* It is not expected that the proposed permitting of residential uses on the subject properties would negatively affect nearby property values. **The standard is met.**

12. *Whether a comprehensive plan for land use and development exists, and whether the ordinance is in harmony with it;* While the Future Land Use map indicates that the subject parcels are part of an anticipated employment center, this use has yet to emerge under current market conditions. The Land Use Priorities map identifies these parcels as being a Tier-1 Infill Priority. Rezoning these parcels to residential uses could potentially enable investment in currently underutilized and vacant land. **The standard is met.**

13. *And whether the City needs the proposed use;* The proposed zoning district promotes development of a Tier-1 Infill Priority and would allow for the potential development of a mix of housing types. **The standard is met.**

STAFF RECOMMENDATION: Staff finds the application meets the standards for a map amendment. Staff recommends approval of the rezoning of 6.06 acres of the property identified as PIN: 15-31-278-003, 1531-276-026, and 15-31-279-006 from B-1 General Commercial District to R-2 Mixed Residence District and R-3A Multiple-Family Residence District.

Ordinance NO. 2020 -

AN ORDINANCE APPROVING A ZONING MAP AMENDMENT FOR PROPERTY LOCATED SOUTH OF GENERAL ELECTRIC ROAD AND WEST OF TOWANDA BARNES ROAD, APPROXIMATELY 6.06 ACRES IN THE HAWTHORNE COMMERCIAL SUBDIVISION, FROM B-2 LOCAL COMMERCIAL DISTRICT TO R-2 MIXED RESIDENCE DISTRICT AND R-3 MULTIPLE-FAMILY RESIDENCE DISTRICT

WHEREAS, there was heretofore filed with the Community Development Department of the City of Bloomington, McLean County, Illinois, a petition requesting to rezone the property commonly described as six and six-hundredths acres south of General Electric Road and West of Towanda Barnes Road in the Hawthorne Commercial Subdivision (PINs: 15-31-278-003; 15-31-276-026; 15-31-279-006), legally described in Exhibit A and hereinafter referred to as "Property", which is attached hereto and made part hereof by this reference; and

WHEREAS, the Bloomington Planning Commission, after proper notice was given, conducted a public hearing on said petition to rezone the Property from B-2 Local Commercial District to R-2 Mixed Residence District and R-3 Multiple-Family Residence District and adopted findings of fact on the same; and

WHEREAS, the Bloomington Planning Commission found the petition to comply with the findings of fact guided by those purposes, standards and objectives of the City Code as set forth in Chapter 44 Division 17-6, E2; and

WHEREAS, following said public hearing, the Planning Commission recommended approval of rezoning of the Property and zoning map amendment to R-2 Mixed Residence District and R-3 Multiple-Family Residence District; and

WHEREAS, the City Council is authorized to adopt this Ordinance and approve the petition to rezone said Property.

NOW THEREFORE, BE IT ORDAINED by the City Council of the City of Bloomington, McLean County, Illinois:

1. The above recitals are incorporated into and made a part of this ordinance as though fully set forth herein.
2. That the petition requesting to rezone the property commonly described as six and six-hundredths acres south of General Electric Road and West of Towanda Barnes Road in the Hawthorne Commercial Subdivision (PINs: 15-31-278-003; 15-31-276-026; 15-31-279-006), legally described in Exhibit A which is attached hereto and made part hereof by this reference, from B-2 Local Commercial District to R-2 Mixed Residence District and R-3 Multiple-Family Residence District is hereby approved.
3. That this Ordinance shall be in full force and effective as the time of its passage.

Passed on this _____ day of December 2020.

Approved on this _____ day of December 2020.

PETITION FOR ZONING MAP AMENDMENT

State of Illinois)
) ss.
County of McLean)

TO: THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF
BLOOMINGTON, MC LEAN COUNTY, ILLINOIS

Now comes Terra LLC, herein-
after referred to as your petitioner(s), respectfully representing and requesting as follows:

1. That your petitioner(s) is (are) the owner(s) of the freehold or lesser estate therein of the premises hereinafter legally described in Exhibit A, which is attached hereto and made a part hereof by this reference, or is (are) a mortgagee or vendee in possession, assignee of rents, receiver, executor (executrix), trustee, lessee or other person, firm or corporation or the duly authorized agents of any of the above persons having proprietary interest in said premises;
2. That said premises legally described in Exhibit "A" presently has a zoning classification of B1 under the provisions of Chapter 44 of the Bloomington City Code, 1960;
3. That the present zoning on said premises is inappropriate due to error in original zoning, technological changes altering the impact or effect of the existing land uses, or the area in question having changed such that said present zoning is no longer contributing to the public welfare;
4. That your petitioner(s) hereby request that the Official Zoning Map of the City of Bloomington, McLean County, Illinois be amended to reclassify said premises into the R2 and R3A zoning district classification;
5. That said requested zoning classification is more compatible with existing uses and/or zoning of adjacent property than the present zoning of said premises; and
6. That said requested zoning classification is more suitable for said premises and the benefits realized by the general public in approving this petition will exceed the hardships imposed on your petitioner(s) by the present zoning of said premises.

WHEREFORE, your petitioner(s) respectfully pray(s) that the Official Zoning Map of the City of Bloomington, McLean County, Illinois be amended by changing the zoning classification of the above-described premises from B1 to R2 & R3A.

Respectfully submitted,

FINDINGS OF FACT

The Zoning Ordinance has "*Zoning Map Amendment Guidelines*" Please answer the following:

1. The suitability of the subject property for uses authorized by the existing zoning

Current B-1 zoning is suitable for commercial use however, in an effort to fully develop the Hawthorne Commercial property and meet current market conditions, the developer desires to provide an environment for affordable detached single-family, attached single-family and multi-family dwellings in addition to commercial uses.

2. The length of time the property has remained vacant as zoned considered in the context of land development in the area

Hawthorne Commercial Subdivision development was initiated in 2001. The buildout of this Highway Business Property has not occurred as originally expected and has continued to lag for successive development ownerships due to a variety of marketplace conditions. The developer proposes the introduction of residential development uses in combination with existing residential and commercial uses in immediate proximity.

3. The suitability of the subject property for uses authorized by the proposed zoning

The property can easily be developed in conversion to residential uses given the public utility and street infrastructure in place, which includes the existing internal public street system and the existing public street system adjoining the comprehensive perimeter of Hawthorne Commercial Subdivision.

4. The existing land uses and zoning of nearby property

The proposed Tract I zoning would match the adjacent R-2 zoning to the west in Sapphire Lake Subdivision and the proposed Tract II zoning would serve as a "use" buffer between B-1 zoning uses east of Pamela Drive and proposed R-2 uses adjoining Woodbine Road.

5. Relative gain or hardship to the public as contrasted and compared to the hardship or gain of the individual property owner resulting from the approval or denial of the zoning amendment application

There is a need for additional housing in the local market including detached single-family, attached single-family and multi-family dwellings. R-2 zoning requested is compatible with properties to the West and North. R-3A zoning requested is compatible with existing B-1 zoning uses and provides a transition of use between proposed single-family uses and current Highway Business uses. As such, there is no hardship to the public. To the contrary, the proposed zoning amendments provide the opportunity for additional housing presently needed in the marketplace, utilization of existing infrastructure and infill development of an overabundance of B-1 property.

6. The extent to which adequate streets are connected to the arterial street system and are available or can be reasonably supplied to serve the uses permitted in the proposed zoning classification

Existing internal street systems are of adequate width and functional utility to sustain uses of proposed and existing zoning classifications. Internal street systems connect to adjacent collector and arterial streets (G.E. Road & Towanda Barnes Road).

7. The extent to which the proposed amendment is consistent with the need to minimize flood damage and the development of the subject property for the uses permitted in the proposed zoning classification will not have a substantial detrimental effect on the drainage patterns in the area

The proposed amendment is not in consistent with need to minimize flood damage. The development contains storm sewer & flood route surface drainage systems with capacities necessary for conveyance of development runoff to existing storm water detention facilities provided for Hawthorne Commercial Subdivision in Sapphire Lake Subdivision.

8. The extent to which adequate services (including but not limited to fire and police protection, schools, water supply, and sewage disposal facilities) are available or can be reasonable supplied to serve the uses permitted in the proposed zoning classification

The same services required to serve adjoining R-2 zoning uses and B-1 zoning uses would be required for proposed amendment zoning uses as are currently reasonably supplied. While the use of services may increase, it will not increase services beyond limits previously contemplated for the Hawthorne Commercial Subdivision.

9. The extent to which the proposed amendment is consistent with the public interest, giving due consideration for the purpose and intent of this Code as set for in § 44-1701

The proposed amendment is consistent with the public interest. While rezoning acknowledges a change in use, it is consistent with public need for additional and varied types of residential housing alternatives.

10. The extent to which property values are diminished by the particular zoning restriction

Property values should not be detrimentally affected by the proposed zoning amendment. Property values should increase as result of this highest and best use and the developments ability to add these properties on current tax rolls.

11. The extent to which the destruction of property values promotes the health, safety, morals, or general welfare of the public

There is no anticipated destruction of property values.

12. Whether a comprehensive plan for land use and development exists, and whether the ordinance is in harmony with it

A comprehensive plan exists for the City of Bloomington and calls for B-1 zoning in this area. However, there are many locations of varied tract sizes for B-1 type uses within the community competing with Hawthorne Commercial property in the marketplace. Many of those locations have more potential for development, as evidenced by the fact this commercially zoned property has remained underdeveloped for the past 20 years. The proposed zoning map amendment is not inconsistent with the comprehensive plan.

13. Whether the City needs the proposed use

The proposed housing products are anticipated to meet the current market needs and changing trends. We believe this zoning amendment provides opportunity to assist as a catalyst to progressive development of the remaining land and respectfully request approval of our request in order to provide these housing products.

PLEASE SUBMIT TO THE CITY OF BLOOMINGTON – PLANNING DIVISION ALONG
WITH THE MAP AMENDEMENT PETITION

Article V. Business District Regulations

§ 44-502. [Ch. 44, 5-2] Permitted uses.

Refer to Article **XVII**, Definitions, for clarity on the uses listed.

A. Land uses. Uses are allowed in the Business Districts in accordance with Table 502A. The following key is to be used in conjunction with the Use Table.

- (1) Permitted uses. A "P" indicates that a use is considered permitted within that district as of right subject to compliance with all other requirements of this Code.
- (2) Special uses. An "S" indicates that a use is permitted, though its approval requires review by the City Council as required in Article **XVII**, subject to compliance with all other requirements of this Code and contingent upon conditions of approval which may be imposed by the City.
- (3) Uses not permitted. A blank space or the absence of the use from the table indicates that the use is not permitted within that district.
- (4) Use regulations. Many allowed uses, whether permitted by right or as a Special Use, are subject to compliance with Article **XVII**.
- (5) Unlisted uses. If an application is submitted for a use not listed, the Zoning Enforcement Officer shall make a determination as to the proper zoning district and use classification for the new or unlisted use. If no permitted or special use is similar in character, intensity, and operations to that of the proposed use, a text amendment may be initiated pursuant to Article **XVII** to establish parameters for permitting such use within the City of Bloomington.

Article IV. Residential District Regulations

§ 44-402. [Ch. 44, 4-2] Residential districts - permitted and special uses.

Refer to Article **XVI**, Definitions, for clarity on the uses listed.

A. Land uses. Uses are allowed in the Residential Districts in accordance with Table 402A. The following key is to be used in conjunction with the Use Table.

- (1) Permitted uses. A "P" indicates that a use is considered permitted within that district as of right subject to compliance with all other requirements of this Ordinance.
- (2) Special uses. An "S" indicates that a use is permitted, though its approval requires review by the City Council as required in Article **XVII**, subject to compliance with all other requirements of this Code and contingent upon conditions of approval which may be imposed by the City.
- (3) Uses not permitted. A blank space or the absence of the use from the table indicates that the use is not permitted within that district.
- (4) Use regulations. Many allowed uses, whether permitted by right or as a Special Use, are subject to compliance with Article **XVII**.
- (5) Unlisted uses. If an application is submitted for a use not listed, the Zoning Enforcement Officer shall make a determination as to the proper zoning district and use classification for the new or unlisted use. If no permitted or special use is similar in character, intensity, and operations to that of the proposed use, a text amendment may be initiated pursuant to Article **XVII** to establish parameters for permitting such use within the City of Bloomington.

the plans, specifications, or
proposal forms returned. The
work includes: The staged
removal of an existing water
softener tanks including removal
and disposal of existing resin
and gravel bed, inspection and
touch-up of existing interior
coatings, new gravel, water
resin, disinfection and start-up.
Each bid must be accompanied
by cash, a certified check, bank
draft, or a bid bond, duly
executed by the bidder as
principal and having as surety
thereon a surety company
approved by the Owner, in the
amount of 5% of the bid. Such
cash, checks or bid bonds will
be returned to all except the
three lowest bidders within
three days after the opening of
bids, and the remaining cash,
checks or bid bonds will be
returned promptly after the
award of the contract. If the
bidder has executed the contract,
or if no award has been made
within 45 days after the date of
opening of bids, upon demand
of the bidder any time thereafter,
so long as he/she had not been
notified of the acceptance of
his/her bid. The successful bidder
will be required to furnish a satisfactory
performance-payment bond in
the full amount of the bid or
proposal. No bid shall be
withdrawn after the opening of
bids for a period of 45
days after the scheduled time
of closing bids. The general prevailing
rate of wages in the locality for
each craft or type of worker or
mechanic needed to execute
the contract or perform such
work, also the general prevailing
rate for legal holiday and
overtime work, as ascertained
by the public body or by the

Daily Bridge Club
Going to the dogs
By FRANK STEWART
Pioneer Content Agency
"My wife is upset with me, the
Unlucky Louie told me in the club
lounge." She says I spend money on
indiscretions.
"She told me you bought a tuxedo
for your dog," I sighed. "That's not
bizarre to me."
It's getting married," Louie said
solemnly.
Louie's wife might be more
tolerant if he didn't lose so much
his Chicago games, when Louie was
declared at today's loss he had
dummy's ace of diamonds and led a
trump to his jack. West was
Louie then took the K-A of spades
and ruffed a low spade in dummy
in case of a 4-2 break.
LAST SPADE
When Fast discarded, Louie led
another trump. Alas, West won and
led his last spade, and Fast ruffed for
down one.
Louie chuckled 1230 points, worth
crown to buy a case of dog treats for
the reception. After he wins the first
trick, he takes the K-A of spades,
ruffs a spade and leads a trump. If
West plays low, Louie ruffs another
spade in dummy, leads a club to his
king and forces out the ace of trumps.
The slam is safe. (A crossfist also
works.)
DAILY QUESTION
You hold: ♠AQ652 ♣KJ1097
7 ♦K 6. You open one spade.
Your partner responds two clubs, you
bid two hearts and he tries 2NT.
What do you say?
ANSWER: Partner's sequence
invites game, and your hand is
promising, especially since my
response in clubs makes your club
bid more tempting. Jump to 3NT
here. A bid of three hearts would
suggest at least five cards in each
major but minimum values; it would
ask partner to pass.
