

**COUNCIL PROCEEDINGS
PUBLISHED BY THE AUTHORITY OF THE CITY COUNCIL
OF BLOOMINGTON, ILLINOIS**

The Council convened in regular Session in the Council Chambers, City Hall Building, at 7:01 p.m., Monday, April 14, 2014.

The Meeting was opened by Pledging Allegiance to the Flag followed by moment of silent prayer.

The Meeting was called to order by the Mayor who directed the City Clerk to call the roll and the following members answered present:

Aldermen: Judy Stearns, Mboka Mwilambwe, Kevin Lower, Joni Painter, Karen Schmidt and Mayor Tari Renner.

Aldermen Absent: David Sage, Robert Fazzini, Scott Black and Jim Fruin.

City Manager David Hales, City Clerk Tracey Covert, and Interim Corporate Counsel Jeff Jurgens were also present.

PUBLIC COMMENT: Mayor Renner opened the Public Comment section of the meeting. He added that there would not be a response from the City under the Public Comment portion of the meeting.

Gary Lambert, 3018 E. Oakland Ave., addressed the Council. He addressed the Council agenda and the bundling of items. He noted that CSH International, Inc. also operated golf courses. He suggested that the City propose to agree to Hockey License Agreement if CSH agreed to operate the City's golf courses.

He presented the Mayor with a decorative flamingo instead of a flamingo exhibit at the Miller Park Zoo.

Bruce Meeks, 1402 Wright, addressed the Council. He questioned the Public Hearing on the proposed FY 2015 Budget. He did not believe that things matched. He questioned if the Council planned to vote on this item at this evening's meeting. He did believe that the Council could vote on this item this evening as the budget was not finalized. He stated his intention to seek litigation.

He expressed his support for the TIGER 2014 Discretionary Grant. He added his opposition to the Amendment to the US Cellular Coliseum (USCC) Development & Management Agreement with Central IL Arena Management, the termination of the Hockey License Agreement at the USCC with IL ProSports, LLC and the Hockey License Agreement with CSH International, Inc.

Alton Franklin, 508 Patterson Dr., addressed the Council. He planned to address a number of items. He had the opportunity to speak with Tina Salamone, Bloomington Center for the Performing Arts (BCPA) TITLE. Ms. Salamone was a fellow of the arts. She included business elements in her plans. He found the dollars invested in the BCPA disturbing. He noted that there was a borderline between needs and wants. He was pleased with the time spent with Ms. Salamone.

He cited the results of the April primary election. He believed that the citizens had stated that they wanted government to stay out of their pockets. He also did not believe that the public understood the referendum regarding the Council's make up. Citizens wanted personal representation. The populace was waking up and was starting to make choices.

He appreciated the opportunity to address the Council.

Carl Woodward, 1701 Clearwater Ave., addressed the Council. He expressed his opinion that the Council was unprofessional. He found them laughable. The City needed revenue to fund pensions, health insurance and infrastructure. He believed the debt was \$300 million. He believed that the proposed budget was short between \$7 - \$15 million. The proposed budget did not address infrastructure and/or pensions. The Council should feel ashamed. He believed the Council was clueless. The only two (2) Aldermen who understood finances were Aldermen Stearns and Fazzini. He invited the Council to contact him. He supported the City's recent \$10 million bond issue for streets. The Council needed to increase Utility Taxes to address the outstanding pension funding. He restated his belief that the City's debt was \$300 million. He questioned the Council's plan to address same. The Council needed to stop kicking the can down the road.

Marty Seigel, 615 E. Chestnut St., addressed the Council. She addressed the liquor license for Price Rite Food Mart located at 706 N. Clinton. The Council memorandum stated that this application was for a new liquor license. She noted that only three (3) Liquor Commissioners were present at the meeting. The Council memorandum claimed that 189 courtesy notices had been mailed. She had not received a notice. She realized that this item was on the Council agenda on Friday, April XX, 2014. It appeared that the Commission decided that it was a better risk to issue a liquor license. She believed that a church had abandoned its property due to this store and its customers. She had visited the Township Assessor's website. The Samhans had owned this property for over ten (10) years. A liquor license was a privilege. She requested that this item be removed from the Consent Agenda.

Mayor Renner introduced the following individuals who were present at this evening's meeting: Steven Campbell, Brittany Cornell, Whitney Thomas, Monica Brigham, Kevin Suess, David Haumann and Dontae Latson.

Motion by Alderman Schmidt, seconded by Alderman Stearns that the Appointments and Reappointments be approved.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Payment for Property, Liability, Excess Liability, and Excess Worker's Compensation Insurance Coverage

RECOMMENDATION/MOTION: That the payment to Arthur J. Gallagher, Itasca, IL for Insurance Coverage and Insurance Broker Service from May 1, 2014 through April 30, 2015 be approved, in the amount of \$776,898.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1a. Budget with adequate resources to support defined services and level of services.

BACKGROUND: Arthur J. Gallagher (AJG) has served as the City's Insurance Broker since 2010. On April 22, 2013, Council approved AJG to continue to serve as its broker until April 30, 2016 with a three (3) year renewable contract. AJG is responsible for analyzing the insurance market and purchasing the City's Property, Liability, Excess Liability, Cyber, and Excess Worker's Compensation Insurance.

Arthur J. Gallagher submitted their 2014 insurance renewal cost that shows an increase cost of \$50,000. Mike Nugent, the City's Insurance Consultant, was able to negotiate those costs down by five percent (5%) or \$40,000, which is slightly less than our November 2013 projections.

Summary of 2014 Insurance Renewal Cost Results:

- Property Insurance premium increased \$7,000. Due to facility locations that they felt were underinsured. City reported values are now at \$15,000,000.
- Excess Worker's Compensation premium increased by \$27,000. This increase is due to Illinois Worker's Compensation Laws being a challenge and that Safety National Insurance is the sole competitive provider for this type of coverage.
- Cyber coverage premium increased by ten percent (10%). Mr. Nugent will assist the City going forward to be more competitive by gathering additional information to secure alternatives.
- Total Cost for the City's 2014 Insurance Premiums will be \$776,898. This cost does include Gallagher's Broker Fee in the amount of \$38,625.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

FINANCIAL IMPACT: The payment for \$776,898 will be encumbered after May 1, 2014 contingent upon Council approval of the Arthur Gallagher Insurance Coverage and Insurance Broker Services being included in the FY 2015 Proposed Budget. Funds were proposed in line items 6015015 - 70702 (Workers Compensation Premiums), 60150150 - 70703 (Liability Premiums), 6015150 - 70704 (Property Premiums) and 60150150 - 70220 (Other Professional Services). Stakeholders can locate this in the FY 2015 Proposed Budget Book titled "Other Funds & Capital Improvement Program" on page 176.

The following was presented:

SUBJECT: A Resolution Authorizing a Service Agreement with the Lowest Responsible Bidder for supply of Electricity/Natural Gas for City Municipal Facilities not Covered by the Municipal Electric Aggregation Program and Designating the City Manager the Authority to Approve Electricity/Natural Gas Supplier

RECOMMENDATION/MOTION: That the Resolution be adopted.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective, efficient manner.

BACKGROUND: On February 10, 2014, Council approved Stone River Group to obtain electricity and natural gas pricing for a three (3) year period for the following city facilities that use more than 15,000 kWh per year:

- Water Treatment Plant
- Water Pumping Stations
- Police Department
- Center for Performing Arts
- Creativity Center
- Public Library
- City Hall
- Fire Stations

The City's remaining facilities are covered under the City's Municipal Aggregation Program that was approved on May 13, 2013.

Following adoption of the resolution, Stone River Group would be able to obtain the lowest cost pricing for electricity and gas for a determined amount of time and would be able to lock in those prices immediately and provide the Service Agreement for the City Manager's signature.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Prior Council approval on February 10, 2014 in the best interest of the taxpayer.

FINANCIAL IMPACT: Stone River Group will be paid .0015 Kwh of the electric rate and .02 per therm for natural gas. These fees will be paid by the retail electric provider and/or natural gas supplier. As approved by the Council on February 10, 2014.

Respectfully submitted for Council consideration.

Motion by Alderman Schmidt, seconded by Alderman Stearns that the Resolution be adopted.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Purchase of Ammunition for the Police Department

RECOMMENDATION/MOTION: That Council retroactively authorize the purchase of handgun/rifle ammunition from Ray O'Herron Co., Inc., Danville, IL, using the State of Illinois Joint Purchasing Contract, in the amount of \$44,432, and the Procurement Manager be authorized to issue a Purchase Order.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services provided in the most cost-effective, efficient manner.

BACKGROUND: Ammunition of the caliber needed by the City is scarce and must be ordered nine to twelve (9 - 12) months in advance of the need. An excerpt from the State Joint Bid contract #4017592 states, "Note: State bid ammunition may take 9 - 12 months to receive and it is shipped free from Winchester." State Joint Bid offers the ammunition the Police Department requires at a greatly discounted rate. Police placed an order with the State Joint Bid contract in early March, assuming there would be plenty of time to seek Council approval for such purchase. Two (2) weeks after said order was placed, the rifle ammunition was delivered. The handgun ammunition was delivered on April 3. Police recognizes that a Council Memo should have been prepared and approved prior to placing an order of this magnitude but thought there was ample time to process the memo before the order would be processed.

The per case cost for the rifle ammunition is less than originally anticipated, representing a sixteen percent (16%) savings off the already discounted price and no additional cost for shipping. The handgun ammunition on this contract is between twenty percent (20%) less for 9mm and thirty percent (30%) less for .40 caliber than open market discounters.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

FINANCIAL IMPACT: The purchase of the ammunition is budgeted in Police - Other Supplies (10015110 - 71190). Stakeholders can locate this in the FY 2014 Budget Book titled "Budget Overview & General Fund on page 255.

Respectfully submitted for Council consideration.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Analysis of Bids for Towing 10,000 Gross Vehicle Weight (GVW) and Under

RECOMMENDATION/MOTION: Recommend that the Towing Bid for 10,000 GVW and Under be awarded to Joe's Towing and Recovery for the period of three (3) years commencing May 1, 2014.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing basic quality services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective, efficient manner.

Adequate resources must be provided to the City in a cost effective manner in order to fulfill the goal of being financially sound while providing services in a cost effective manner. This contract fulfills the goal by allowing the City to obtain a majority of needed services at little or no cost to the City.

BACKGROUND: Prior to 2014, the Towing Bid for 10,000 GVW and Under was administered by the Public Works Department. Beginning in 2014, the Police Department administered the bid.

The existing five (5) year contract with Joe's Towing & Recovery was renewable on an annual basis and will expire on April 30, 2014. Therefore, bids were sought for a new agreement. Joe's Towing and Recovery provided the sole bid.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Staff held an informational meeting with tow vendors on February 12, 2014. Fourteen (14) tow vendors were invited, but only representatives from four (4) vendors were present. Concerns raised by council members in March 2013, along with some concerns of the vendors present in this February meeting were discussed including:

- 1) When does the storage fee begin? (this had been remedied previously by assessing after the first 24 hours)
- 2) Concerns regarding cost parity between privately initiated tows and city initiated tows.
 - a. Representatives of the tow vendors all agreed the difference in cost is necessary to offset costs associated with providing the level of service specified in the bid (fleet size, room for storage, priority response etc.), the initial costs of the referral fee, and the absence of revenue resulting from providing nearly all tow related, (tow, tire change, jump starting, etc.), services for city vehicles at no charge. All vendors present noted there would be disparity in costs, and expressed no interest in having rate amounts provided to them by the city.
 - b. Same above reasons provided for storage cost disparity.
 - c. City receives all proceeds from sale of unclaimed automobiles. The tow vendor is not compensated for the tow and storage of these automobiles prior to the sale. Average proceeds to city are approximately \$100,000 annually from these sales.
 - d. 2013 comparison to other municipalities contracting tow services charges to citizens are similar.
 - e. Expense of the referral fee has an impact on costs as well (With this as a consideration, the referral fee was reduced from \$47,000/year to \$23,725/year, Joe's Towing and Recovery bid \$28,835/year for this new contract.) The extent of the referral will be to advise a motorist that the City uses Joes Towing & Recovery, but the motorist is free to use any towing company of their choice.
 - f. Tow vendor is not compensated for costs incurred when waiving fees, for not guilty verdicts, or when charges are dismissed.
 - g. Police receive priority service for all calls, significantly expediting service and avoiding hazardous delays.
 - h. The level of influence a government body can exert over towing rates is regulated by law. Should the city choose to dictate rates for some services, unintended consequences could likely result in higher costs for the City.

A second pre-bid meeting was publicized and held on March 10, 2014 and of the fourteen (14) vendors invited, only two (2) attended. No new issues were discussed.

FINANCIAL IMPACT: The term for renewal is three (3) years, which begins May 1, 2014 and ends April 30, 2017, with an option of renewing for an additional two (2) years, one (1) year at a time. The contract specifications require no charge to the City for specific tow services which include:

Description of Service provided at no charge to City of Bloomington	Amount
• Towing of City owned cars and equipment under 10,000 GVW	No Charge
• Towing of other cars and equipment	No Charge

- Tire changes No Charge
- Abandoned and Impounded vehicle storage charges to the City No Charge
- Power Starting or Jump Starting of City owned vehicles No Charge
- Vehicles for training purposes (one-time fee per year) No Charge

Additionally, the bid included specific services the vendor would provide to the City and designates set amounts the City would be charged for these services. The list of tow services provided that require City reimbursement include:

Description of Service	Amount
Winching	\$50.00
Outside City Mileage Rate	\$3.00/mile
Transport/tow vehicles to and from the BPD Range (round trip)	\$50.00
Relocation of other cars and equipment	\$50.00

As a condition of the contract, Joe's Towing & Recovery is required to pay the city an annual referral fee for the receipt of tow referrals from the Police Department. This tow referral includes tows from accident scenes and Police Department arrests which require the vehicle to be towed. This revenue is accounted for in Non-Departmental - Other Miscellaneous Revenue (10010010 - 57990) and the vendor will issue a payment to the City upon the issuance of a purchase order by the City.

Respectfully submitted for Council consideration.

SUBJECT: Analysis of Bids for Street and Park Trees

RECOMMENDATION/MOTION: That the purchase of 186 trees from John Deere Landscape, 140 trees from Schichtels Nursery Inc. and twenty-one (21) trees from Green Glen Nursery Inc. be approved, in a total amount of \$34,701, and the Procurement Manager be authorized to issue a Purchase Orders.

STRATEGIC PLAN LINK: Goal 2. Upgrade City infrastructure and facilities; Goal 4. Strong neighborhoods; and Goal 5. Great place – livable, sustainable City.

STRATEGIC PLAN SIGNIFICANCE: Objective 2d. Well-designed, well maintained City facilities emphasizing productivity and customer service; 4d. Improved neighborhood infrastructure; and 5e. More attractive City: commercial areas and neighborhoods.

BACKGROUND: The Park Maintenance Forestry division plants replacement trees each spring and fall on a typical one (1) for one (1) basis. The trees replanted are based upon the trees that are removed throughout the year for health and/or safety reasons. If one (1) tree is removed, one (1) tree is replanted. The number of trees is a combination of street trees, ash tree removal replacement trees and some park trees. Each year the Forestry division removes around 300-350 trees in a typical year. This year that number will increase due to Emerald Ash Borer damage. The Forestry staff has removed 219 Ash trees since October 1, 2013. The Forestry staff will begin planting in mid to late April and finish by June 1, 2014. This is the recognized time in the industry for optimal planting success with these species of trees.

Proposals on twenty-two (22) different tree species were received on March 25, 2014 from three (3) Nurseries:

Motion by Alderman Schmidt, seconded by Alderman Stearns that the purchase of 186 trees from John Deere Landscape, 140 trees from Schichtels Nursery Inc. and twenty-one (21) trees from Green Glen Nursery Inc. be approved, for a total amount of \$34,701, and the Procurement Manager be authorized to issue a Purchase Orders.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Analysis of Request for Proposals (RFP) for Conservation of the Civil War Monument, a/k/a Soldiers and Sailors Monument

RECOMMENDATION/MOTION: That the RFP for Conservation of the Civil War Monument, a/k/a Soldiers and Sailors Monument be awarded to Joseph Gnazzo Company Inc., in the amount of \$48,300, and the Procurement Manager be authorized to issue a Purchase Order.

STRATEGIC PLAN LINK: Goal 2. Upgrade City infrastructure and facilities; Goal 4. Strong neighborhoods; and Goal 5. Great place – livable, sustainable City;

STRATEGIC PLAN SIGNIFICANCE: Objective 2d. Well-designed, well maintained City facilities emphasizing productivity and customer service; 4d. Improved neighborhood infrastructure; and 5d. Appropriate leisure and recreational opportunities responding to the needs of residents.

BACKGROUND: The Civil War Monument, a/k/a Soldiers and Sailors Monument was dedicated on Memorial Day, May 30, 1913. The towering monument includes eight (8) bronze tablets with the names of 6,053 local residents who fought in the American Revolution, War of 1812, Black Hawk War, Mexican War, Civil War and Spanish-American War.

The monument stands 78' tall from the grade line. The base measure 35' square and is bisected by four (4) sidewalks or approaches, each framed by an arch 11½' tall and 6' wide. Topping the monument is 32½' long shaft, a fluted Tuscan column 4' at the base and 3' at the top, weighing about 36 tons.

Today the 101 year old monument is showing some wear and tear. There is some soiling and staining that needs to be removed from the granite. The mortar joints need to be cleaned and repointed. Some of the skyward facing mortar joints need to have a new lead cap installed and resealed. There are eighteen (18) different locations that new granite needs to be installed and carved to its original profile - this process is called a Dutchman. Lastly the scaling of the granite underneath the arches needs to be chiseled back to its original profile.

Proposals were received on March 25, 2014 from three conservators:

Name	Location	Proposal Price
Joseph Gnazzo Company	1053 Buckley Highway Union, CT 06076	*\$48,300
Architectural Preservation Services	2100 Gable Avenue Baltimore, MD 20814	\$91,330
Conservation of Sculpture and Objects Studio Inc.	900 S. Des Plaines Ave. Forrest Park, IL 60130	\$307,970

* - Low and recommended bid

The Joseph Gnazzo Company has come highly recommended. Some of their conservation work includes: Harvard Hall on the campus of Harvard University, Maine State House in Augusta, Maine, The Bunker Hill Monument, and the Fort Jefferson National Monument. The Gnazzo Company has been on site to inspect the Civil War Monument.

Staff is unsure of the reasons behind such a wide discrepancy in bid prices, however, staff is confident the Joseph Gnazzo Company will provide a good end result for this project.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Joseph Gnazzo Company Inc., and Procurement Manager

FINANCIAL IMPACT: The total cost for the restoration of the Civil War Monument is \$48,300 which has been budgeted in Park Maintenance – Other Purchased Services (10014110 - 70690). Stakeholders can locate this in the FY 2014 Budget Book titled “Budget Overview & General Fund on page 207.

Motion by Alderman Schmidt, seconded by Alderman Stearns that the RPF for Conservation of the Civil War/Soldiers and Sailors Monument be awarded to Joseph Gnazzo Company Inc., Union, CT, in the amount of \$48,300, and the Procurement Manager be authorized to issue a Purchase Order.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Motion carried.

The following was presented:

SUBJECT: Request for Proposals (RFP) for Taxable Capital Lease for FY14 Budget

RECOMMENDATION/MOTION: That the RFP for Taxable Capital Lease be awarded to Commerce Bank, Bloomington, IL, in the amount of \$1.482 million, and the Mayor and City Clerk be authorized to execute the necessary documents.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Complying with the City's budget or annual financial plan is a literal interpretation of all goals in the Strategic Plan.

BACKGROUND: A diverse range of equipment and vehicles is used to provide services to residents across the City. In 2011, the City began replacing its aging inventory on a rolling basis utilizing capital lease financing. The City has been successful in obtaining low interest rates by bidding each capital lease. The FY 2014 budget was adopted with purchasing capital equipment and vehicles through a five year capital lease.

A RFP was issued on March 7, 2014 and seven (7) responses were received listed below:

Bidders	Interest Rate
Commerce Bank	1.85%
US Bank	1.89%
Fifth Third Bank	2.18%
PNC Equipment Finance	2.24%

Bidders	Interest Rate
Central Illinois Bank	2.25%
JPMorgan Chase Bank	2.47%
Flanagan State Bank	3.52%

The City recommends executing with Commerce Bank who bid the lowest interest rate; in addition, this proposal by Commerce Bank provides the City flexibility to retire the debt anytime during the duration of the contract as long done so in whole, without any penalty.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: An RFP was published in the Pantagraph on March 7, 2014 and posted on the City's web site. Twenty (20) financial institutions were mailed RFP's. Seven (7) responses were received.

FINANCIAL IMPACT: The estimated five (5) year interest rate cost is approximately \$68,350.02. Commerce Bank indicated they would pass on interest rate savings from any short term change in interest rates to the City between the bid and the execution of the capital lease contract. The principal and interest expenditures for this item are budgeted from the following line items within each department (73401 – Principal Expense) and (73701 – Interest Expense).

The following was presented:

SUBJECT: Amend Alternative Service Concepts (ASC) Claims Service Contract, Third Party Administrator Claims (TPA) – May 1, 2013 through April 30, 2016 regarding Claims Authority

RECOMMENDATION/MOTION: That the contract amendment be approved and the Mayor and City Clerk be authorized to execute the necessary documents.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective, efficient manner.

BACKGROUND: On April 22, 2013, Council approved a three (3) year contract with ASC to provide claims adjustment services. These services include all claims and/or losses reported during the term of the Contract which involves worker's compensation and property and casualty claims against the City; investigate, adjust, settle or resist all such losses and/or claims with the excess of the agreed discretionary settlement authority limit of \$5,000.

The City meets quarterly with the ASC's Claim Adjuster, Insurance Consultant to review all open claims and discuss course of action that would include, settlement, hearings, law suits, etc. The Senior Claims Adjuster also attends all Council Executive Session to discuss settlement authority over the \$15,000 authority limit, as well as to answer any questions regarding claim authority, settlement authority given by the Council, what the claims settle for and the savings to the City.

The Senior Claims Adjuster has been very effective in closing claims in a very timely manner and some cases have been able to settle the claim for less money than the Council approved. The Senior Claims Adjuster has proved that she is a good "steward" of the City dollars.

Staff has found that some cases need to be settled quickly due to rulings from the Illinois Department of Worker's Compensation, negotiations between the City's attorney and the claimant's attorney. Because of the time lapse between settlement authority approvals from the City Manager, whose settlement authority is \$5,001 up to \$15,000, we have found that if the window of time has elapsed and it can cost additional dollars to the city to settle the claim.

By increasing the Claims Adjuster Authority up to \$10,000, this will allow for quick resolution to claims settlements.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

FINANCIAL IMPACT: Will not have any impact on the budget.

CITY OF BLOOMINGTON

WITNESS: Tracey Covert

BY: Tari Renner

TITLE: Mayor

DATE: April 15, 2014

Motion by Alderman Schmidt, seconded by Alderman Stearns that the contract amendment be approved and the Mayor and City Clerk be authorized to execute the necessary documents.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Tolling Agreement with McLean County Land Trust CC-1

RECOMMENDATION/MOTION: That the Agreement with McLean County Land Trust CC-1 be approved, and the Mayor and City Clerk be authorized to execute the necessary documents.

STRATEGIC PLAN LINK: Goal 2. Upgrade City infrastructure and facilities, and Goal 5. Great place – livable, sustainable City.

STRATEGIC PLAN SIGNIFICANCE: Objective 2a. Better quality roads and sidewalks, and Objective 5b. City decisions consistent with plans and policies.

BACKGROUND: The City and McLean County Land Trust CC-1 are parties to several annexation agreements from the 1990s related to the development of the Fox Creek Subdivision area. The Third Amendment is the final amendment to the Fox Creek Annexation Agreement, and effectively replaced the original annexation agreement and the first two amendments, and became the parties' agreement. The City contends that pursuant to the parties' agreements, the owner owes the City development fees and additional work on a detention basin and on sidewalks in the 12th addition of the Fox Creek Subdivision. Paragraph 18 of the Third Amendment provided that: "This Agreement shall be enforceable for a period of 20 years from the date of passage of the annexation ordinance contemplated by this agreement." Ordinance No. 1994 - 41, which ratified the Third Amendment, was passed on April 25, 1994 and approved on April 26, 1994. The effective term of the parties' annexation agreement arguably ends on April 24, 2014. Section 11-15.1-4 of the Illinois Municipal Code provides that a "lawsuit to enforce and compel performance of the [annexation] agreement must be filed within the effective term of the agreement or within 5 years from the date the cause of action accrued, whichever is later".

The parties are working together in good faith to resolve their differences, and believe that they should be able to resolve some or all of their differences in six (6) months. All believe that it would not be in either parties' interest to engage immediately in litigation. Accordingly, the parties have negotiated a tolling agreement. A tolling agreement is an agreement to waive a right to claim that litigation should be dismissed due to the expiration of a statute of limitations. During this period, the parties waive any defense by way of any statute of limitations which would otherwise arise during such period. This agreement will allow the City and McLean County Land Trust CC-1 additional time to reach resolution on the outstanding issues and protect the City's right to enforce the provisions contained in the prior agreements.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Snyder Development, A. Clay Cox, and Edward R. Gower.

FINANCIAL IMPACT: It is estimated McLean County Land Trust CC-1 currently owes the City \$562,194.78 in development fees. There are other “punch list” items that are covered by this agreement that have not yet been estimated.

Respectfully submitted for Council consideration.

TOLLING AGREEMENT

This Tolling Agreement is made and entered into on this 14th day of April, 2014, by and between the City of Bloomington, McLean County, Illinois, herein referred to as “City” and David Fedor, as Trustee of McLean County Land Trust CC-1 dated September 1, 1993, herein referred to as “Owner”.

WHEREAS, David Fedor is the successor in interest to Mercer Turner, as Trustee of McLean County Land Trust CC-1 dated September 1, 1993 and to both First of America Trust Company, as trustee of the land trust The Peoples Bank, as trustee of land trust 21-040000 and PBB-232, dated January 25, 1991;

WHEREAS, the parties entered into an original annexation agreement dated December 10 and 11, 1990, which was amended on February 25, 1991, August 24, 1992 and February 25, 1994;

WHEREAS, the third amendment to the original annexation agreement effectively replaced the original annexation agreement and the first two amendments, and became the parties’ agreement;

WHEREAS, sole beneficiary of the Owner is Fox Creek, Inc.;

WHEREAS, the annexation ordinance contemplated by the annexation agreement was passed by the Bloomington City Council on April 25, 1994;

WHEREAS, the City contends that pursuant to the parties' agreements the Owner owes the City development fees and additional work on a detention basin and on sidewalks in the 12th addition of the Fox Creek Subdivision;

WHEREAS, the effective term of the parties' annexation agreement arguably ends on April 24, 2014;

WHEREAS, section 11-15.1-4 of the Illinois Municipal Code provides that a "lawsuit to enforce and compel performance of the [annexation] agreement must be filed within the effective term of the agreement or within 5 years from the date the cause of action accrued, whichever is later"; and

WHEREAS, the parties are working together in good faith to resolve their differences, and believe that they should be able to resolve some or all of their differences in six months and believe that it would not be in either parties' interest to engage immediately in litigation.

THEREFORE, IT IS AGREED BY THE CITY AND OWNER AS FOLLOWS:

1. The "Effective Date" shall mean the date of April 14, 2014.
2. The "Termination Date" shall mean the date of October 14, 2014.
3. With respect to any claims arising out of the annexation agreement, as amended, that the Parties may have against each other, the Parties agree that any applicable statute(s) of limitations, statute(s) of repose, laches, or any other defense(s) applicable are tolled during the period of time from the Effective Date to the Termination Date. The period of time from the Effective Date until the Termination Date shall not be taken into account in calculating the period of any applicable statute(s) of limitations, statute(s) of repose, or laches.
4. Any claims instituted before or on the Termination Date will be deemed to have been filed on the Effective Date for purposes of any statute(s) of limitations, statute(s) of repose, laches, or any other defense(s) applicable to the time within which the claims arising out of the annexation agreement, as amended, are filed between the Parties.
5. The parties acknowledge that it is the desire and intention of both parties to execute a full amendment of the Annexation Agreement for the sole purpose extending the enforcement date of the Annexation Agreement but that there is insufficient time meet all statutory requirements for approval of such amendment before April 25, 2014.
6. All parties will cooperate to meet the statutory requirements for approval of an amendment of the annexation agreement and as soon as all statutory requirements for approval of an amendment to the annexation agreement have been met, the parties will execute a fourth amendment to the annexation agreement on terms identical to those set forth on the attached Exhibit A.

David Fedor, as Trustee

Motion by Alderman Schmidt, seconded by Alderman Stearns that the Agreement with McLean County Land Trust CC-1 be approved, and the Mayor and City Clerk be authorized to execute the necessary documents.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

The following was presented:

SUBJECT: Payment for Participation in McLean County's Information Technologies for EJustice Support and Oracle Support

RECOMMENDATION/MOTION: That the payment to McLean County's Information Technologies in the amount of \$29,696.97 for EJustice support and \$8,792.72 for Oracle support for EJustice be approved for a total of \$38,489.69.

STRATEGIC PLAN LINK: Goal 1. Financially sound city providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1e. Partnering with several others for the most cost-effective service delivery.

BACKGROUND: On August 23, 1999, Council entered into a joint agreement with other police agencies in McLean County to use EJustice as a means to enter police reports. The EJustice System allows the Police Department staff to track evidence, review police reports from other agencies, and view other agencies' mug shots.

The EJustice System is the City's only means of electronic report submission and electronic evidence tracking. Due to a change in the ownership of the EJustice program, all users are now required to provide funds to support the EJustice program. The total price for supporting the program is \$140,000 per year. There was no increase to the cost of the annual maintenance agreement for this year. The City, Town of Normal, Illinois State University, and McLean County Sheriff's Department split the \$140,000 based on the number of users in each department. It should be noted that the McLean County Sheriff's Department pays for users in the Circuit Clerk's Office, States Attorney's Office and all rural police agencies.

The Oracle System is the database and all associated tools to keep it functional, including the application server license and license for Discoverer which is the ad-hoc reporting tool available to the agencies. This expense has been shared by the agencies since 2006. The City Police Department did not pay anything for the original development of the software. The cost this year is \$8,792.72.

This agreement is renewable on a yearly basis and will be in effect from May 2014 through April 2015.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

RECOMMENDATION/MOTION: That the Final Plat and Easement Vacation be approved and the Ordinances passed.

STRATEGIC PLAN LINK: Goal 3. Grow the local economy.

STRATEGIC PLAN SIGNIFICANCE: Objective 3a. Retention and growth of current local businesses.

BACKGROUND: The subject property is located south of GE Rd. on Woodbine Rd. Lot 14 is the existing site of Scribbles Learning Center. The property owner plans to expand the business and has purchased additional land that will be added to the lot for a building addition as part of the resubdivision plat. Due to the building expansion, an existing utility easement needs to be vacated. The owner has contacted the local utility companies and confirmed that no existing public or private utilities are currently located in the portion to be vacated. The owner is dedicating a new utility easement in a different location to replace the vacated portion of the easement.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Andrew Hunt, Shive-Hattery.

FINANCIAL IMPACT: The cost of all public improvements, platting, and recording will be borne by the petitioner.

Respectfully submitted for Council consideration.

Motion by Alderman Schmidt, seconded by Alderman Stearns that the Final Plat and Easement Vacation be approved and the Ordinances passed.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Petition from Hawthorne Commercial Park, LLC, requesting approval of a Final Plat for the Tenth (10th) Addition to Hawthorne Commercial Park Subdivision

RECOMMENDATION/MOTION: That the Final Plat be approved and the Ordinance passed.

STRATEGIC PLAN LINK: Goal 5. Great place – livable, sustainable City.

STRATEGIC PLAN SIGNIFICANCE: Objective 5e. More attractive City: commercial areas and neighborhoods.

BACKGROUND: This subdivision is located near the intersection of Norma Dr. and Pamela Dr., west of Towanda Barnes Rd. The proposed Lot 22 of the 10th Addition is intended to be used as a future public park. The original Hawthorne Commercial Park Subdivision preliminary plan called for the dedication of a three (3) acre public park at the original farmhouse site along Towanda Barnes Rd. in accordance with the original land sales contract between the developer and Frances S. Kelley. Due to the sale of the land originally planned as a park, the developer is no longer able to dedicate a park in the originally intended location. The developer and the Kelley family have selected approximately 2.4 acres on the south side of Pamela Dr. as the new location for a future park.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Frances S. Kelly Family, Larry Bielfeldt.

FINANCIAL IMPACT: The cost of all public improvements, platting, and recording will be borne by the petitioner.

Motion by Alderman Schmidt, seconded by Alderman Stearns that the Final Plat be approved and the Ordinance passed.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Petition submitted by Hawthorne Commercial Park, LLC, requesting approval of a rezoning from B - 1, Highway Business District, to S - 2, Public Lands and Institutions District, for the property located on Lot 22, Tenth (10th) Addition to Hawthorne Commercial Subdivision located on the south side of the intersection of Pamela Dr. and Woodbine Rd., which is to be deeded to the City for a park.

RECOMMENDATION/MOTION: That the Rezoning be approved and the Ordinance passed.

STRATEGIC PLAN LINK: Goal 5. Great Place – livable, sustainable City.

STRATEGIC PLAN SIGNIFICANCE: Objective 5d. Appropriate leisure and recreational opportunities responding to the needs of residents.

BACKGROUND: The land subject to the rezoning is located in a large area of undeveloped land to the east, north and south of the intersection of Pamela Dr. and Woodbine Rd.; however, the land to the west, northwest and southwest is already developed as residential. Previous discussions and plans had indicated a park would go in the northeast portion of this site between Towanda Barnes Rd. and Leslie Dr. The developer, as a result of private litigation, is now seeking to rezone land on the south side of Pamela Dr. and dedicate that land to the City to be used as a park.

This case was before the Planning Commission for a public hearing and review on March 26, 2014. The petitioner and his attorney spoke at the hearing in favor of the petition. (See the accompanying minutes of the proceedings.) Staff stated that S-2 zoning is consistent with the zoning of other city parks and explained that the petitioner was under a court order to deed this parcel over to the City to be used for a park. Three (3) citizens from nearby neighborhoods spoke in opposition to the petition or questioned the need for the rezoning. The opposition was concerned that the change to S-2 zoning might encourage rezoning of other land in the area to S-2 and thereby encourage multi-family apartment developments. The Planning Commission voted to recommend approval of the rezoning by a vote of 6 - 2. It should be noted that any further rezoning would need to go before both the Planning Commission and City Council in order to be approved and that no further rezoning to S-2 is anticipated in this area at this time.

The designated area is a good location for a park as it will serve residences that are in close proximity to the site.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Public notice was published in the Pantagraph in accordance with City Code. In accordance with the Zoning Code (Ordinance No. 2006-137), courtesy copies of the Public Notice were mailed to 24 property owners within 500'. In addition, a public notice/identification sign was posted on the property.

FINANCIAL IMPACT: Once the land is deeded to the City, there should be a decrease in property tax revenues as it will no longer be privately owned. Once the land is developed as a park property, taxes of nearby residences could increase.

Respectfully submitted for Council consideration.

SUBJECT: Petition from Hershey Grove, LLC, to rescind the Final Plat of the Hershey Grove Fourth (4th) Addition Phase I previously approved by Council and approval of the Final Plat for the Fourth (4th) Addition to Hershey Grove Subdivision

RECOMMENDATION/MOTION: That Ordinance 2009 – 02 be rescinded, the Final Plat be approved and the Ordinance passed.

STRATEGIC PLAN LINK: Goal 5. Great place – livable, sustainable City.

STRATEGIC PLAN SIGNIFICANCE: Objective 5a. Well-planned City with necessary services and infrastructure.

BACKGROUND: This subdivision is located south of Ireland Grove Rd. and east of Hershey Rd. The Final Plat is in conformance with the Preliminary Plan approved in April 2002. The proposed addition consists of ten (10) single-family residential lots.

The Final Plat of Hershey Grove Fourth (4th) Addition Phase I was approved by Council on January 12, 2009. The tap on fee was paid and the documents to be recorded were picked up by the petitioner in March 2010. It was recently discovered that the documents were never taken to the County Recorder's office. Therefore, the initial final plat ordinance must be rescinded as the petitioner wishes to refile for approval of a final plat for this property.

P.I.N. 21-13-104-030

Motion by Alderman Schmidt, seconded by Alderman Stearns that Ordinance 2009 – 02 be rescinded, the Final Plat be approved and the Ordinance passed.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Petition submitted by Dennis Pulliam, requesting approval of a Special Use Permit for a Two-Family Residence for the property located at 611 S. Clayton St.

RECOMMENDATION/MOTION: That Council deny the Special Use Petition.

STRATEGIC PLAN LINK: Goal 4. Strong neighborhoods.

STRATEGIC PLAN SIGNIFICANCE: Objective 4c. Preservation of property home evaluations, and 4f. Residents increasingly sharing/taking responsibility for their homes and neighborhoods.

BACKGROUND: The lot at 611 S. Clayton is substandard for the minimum lot size and width as required by the Zoning Ordinance. Occupying the site with a two-family dwelling will encourage neighborhood density and overcrowding. In turn this may weaken property values and along with being rented out will discourage residents from taking responsibility for their properties and neighborhood.

The petitioner is requesting the approval of a special use for a two-family residence. The lot is 6,725 square feet in area and 46' wide. The ordinance's standard for a two dwelling unit is a minimum of 13,200 square feet and 50' in width for the R - 1C, Single-Family Residence District. Thus the lot is substandard for a two-family dwelling in this zoning district.

This case was before the Zoning Board of Appeals for a public hearing and review on March 19, 2014. The petitioner spoke in favor of the petition. He explained he has recently acquired the property which has been vacant but it had been a two (2) family residence and he wants to reestablish such. No one else from the public spoke in favor or against the petition.

Staff has evaluated the project and finds it to be an inappropriate use for the site. This is based on the lot being a substandard lot as well the fact that the overwhelming majority of the neighborhood uses are single family residences and not two units. Since the lot is smaller in size and the related issues description herein staff has felt obligated to recommend denial.

The Zoning Board of Appeals voted to recommend approval of the special use permit by a vote of 7 - 0 condition. They felt since there was a two (2) family residence there at one time and since the building was an old store front at one time that it lends itself to a two (2) unit more than a single family dwelling. The building is indeed unique to the neighborhood. There was a two (2) family dwelling established in the building and then both units became vacant and it was sold to the current owner who is also the applicant in this case. The Board also felt in this case the applicant is only trying to reestablish what was there for several years.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Public notice was published in the Pantagraph in accordance with City Code. In accordance with the Zoning Code (Ordinance No. 2006 - 137), courtesy copies of the Public Notice were mailed to 74 property owners within 500'. In addition, a public notice/identification sign was posted on the property.

FINANCIAL IMPACT: The financial impact on the city revenues should slightly increase with some remodeling resulting in the property taxes increasing if approved but the same may occur with a denial.

Respectfully submitted for Council consideration.

EXHIBIT A

Tract No. 9: The North 46 feet of Lot 8 in the Subdivision of Lot 3 of the Assessor's Subdivision of the North East ¼ of Section 9, Township 23 North, Range 2 East of the Third Principal Meridian, in McLean County, Illinois.

PIN: 21-09-226-019

Motion by Alderman Schmidt, seconded by Alderman Stearns that the Special Use Petition be denied.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Purchase of 2014 Bond MS SEDCO Intersector Microwave Detection Equipment

RECOMMENDATION/MOTION: That the formal bid process be waived, the purchase of thirty-six (36) MS SEDCO Intersector Presence Detectors, thirty-six (36) MS SEDCO Intersector Interface Boards and 11,000' of Outdoor Rated CAT5 Cable from Brown Traffic Products Inc., a sole source provider, be approved, in the amount of \$160,550, and the Procurement Manager be authorized to issue a Purchase Order.

STRATEGIC PLAN LINK: Goal 2. Upgrade City infrastructure and facilities; Goal 4. Strong neighborhoods; and Goal 5. Great place – livable, sustainable City.

STRATEGIC PLAN SIGNIFICANCE: Objective 2a. Better quality roads and sidewalks; Objective 4d. Improved neighborhood infrastructure; and Objective 5a. Well-planned City with necessary services and infrastructure.

BACKGROUND: The street resurfacing scope of work included in the 2014 Bond General Resurfacing Contract will require the removal of traffic signal detector loops that are embedded in the existing pavement. These existing detector loops will be removed during the asphalt milling operations. Traffic signal detection will need to be reinstalled to restore complete operation of the traffic signals. Staff recommends that MS SEDCO Microwave Motion and Presence Sensors be installed at these intersections in lieu of reinstalling traffic detection within the pavement structure.

These detection units were not included in the 2014 Bond General Resurfacing contract. By excluding the detection units from the resurfacing contract, the City is able to purchase the units without paying for the markup that would be included otherwise. Brown Traffic Products, Inc. is the sole source distributor for MS SEDCO products in the region.

The MS SEDCO Intersector is a microwave based motion and presence sensor that is used for intersection control. Microwave detection offers the following benefits:

- Detection is not affected by the weather
- Not susceptible to in-road breakage
- Can be installed at existing traffic signal locations
- Future street work near the intersection will not impact detection capabilities
- Allows the establishment of bicycle only detection zones
- Staff has experience with these units and are qualified for their installation

Microwave detection is being utilized at the intersection of College Ave. and Hershey Rd., and is being incorporated into future traffic signal design contracts. It is anticipated that staff will install the microwave units to coincide with the resurfacing contract work.

The 2014 \$10 million Street Resurfacing Project has been allocated as follows:

CCTV Sewer Inspections	\$200,000
Pavement Preservation Program	\$450,000
Sidewalk Replacement & Handicap Ramp Program	\$1,000,000
SEDCO Microwave Detection	\$160,000
General Resurfacing Program	\$8,190,000

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

FINANCIAL IMPACT: The SEDCO Microwave Detection for \$160,550 is included in the FY 2014 Amended Budget. On October 14, 2013, Council passed an ordinance providing for an issuance of General Obligation Bonds not to exceed \$10,000,000 for the purpose of financing street resurfacing and sewer improvements. The budget amendment was presented by staff and approved by Council on December 16, 2013. The accounting for payment of the \$160,550 is Capital Improvement - Street Construction & Improvements (40100100 – 72530 – 40500). These funds will be encumbered in FY 2014 and all bond related expenditures will be assigned project code 40500.

Respectfully submitted for Council consideration.

Alderman Lower noted that this item addressed detecting vehicles at intersection. He questioned if this was a sole source item.

Jim Karch, Public Works Director, addressed the Council. This was a sole source product. There were regional licenses with only one (1) vendor per region. The City had an established history with this vendor and its products. City employees would install same. These items would allow for multi model microwave detection.

Alderman Lower questioned payment for this item. Mr. Karch noted that these items would be included in the \$10 million dollar street resurfacing work. These items were components of the street resurfacing work.

Alderman Lower stated that these items would not be attached to the pavement. Mr. Karch noted that the existing loop in the pavement would be removed.

Motion by Alderman Lower, seconded by Alderman Schmidt that the formal bid process be waived, the purchase of thirty-six (36) MS SEDCO Intersector Presence Detectors, thirty-six (36) MS SEDCO Intersector Interface Boards and 11,000' of Outdoor Rated CAT5 Cable from Brown Traffic Products Inc., a sole source provider, be approved, in the amount of \$160,550, and the Procurement Manager be authorized to issue a Purchase Order.

The following was presented:

SUBJECT: Analysis of Bids for the City Hall Roof Replacement

RECOMMENDATION: That the bid for Replacement of the City Hall Roof be awarded to Wyman Roofing, Peoria Heights, IL, in the amount of \$226,311, and the Mayor and City Clerk

be authorized to execute the necessary documents for approval of the Base Bid and Alternates One and Three, the Budget Amendment be approved and the Ordinance passed.

STRATEGIC PLAN LINK: Goal 2. Upgrade City infrastructure and facilities.

STRATEGIC PLAN SIGNIFICANCE: Objective 2d. Well-designed, well maintained City facilities emphasizing productivity and customer service.

BACKGROUND: The City Hall Roof has been in need of replacement for some time. Snow and rain result in significant leakages in various offices. This has created numerous issues requiring attention.

Bids were sought in the following manner:

- The Base Bid included the new roof.
- Alternate One involved thicker roofing material and an additional ten (10) years of warranty.
- Alternate Two involved a different method of water channelization, which would have resulted in an inferior system.
- Alternate three involved replacement of the skylights.

Bid submissions were received from five (5) companies. The breakdown of their bids is contained in the following chart:

Company	City, State	Base Bid	Alt. #1	Alt. #2	Alt. #3	Weeks to complete
Advanced Commercial Roofing	Champaign, IL	\$213,152	\$15,067	Deduct \$4,862	\$3,596	7
Union Roofing Co.	Chenoa, IL	\$233,780	\$20,350	Deduct \$6,575,	\$5,995	6
Peoria Roofing & Restoration	Peoria, IL	\$244,890	\$14,783	Deduct \$9,326	\$9,400	5
Wyman Roofing	Peoria Hts., IL	\$213,500	\$8,990	Add \$4,910	\$3,821	6
River City Roofing	Bartonville, IL	\$233,000	\$81,500	\$ -0-	\$6,000	5-6

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

FINANCIAL IMPACT: Due to the severe leakage Finance recommends that this repair be awarded as soon as possible and not delayed. The expense for the roof replacement of \$226,311 will be taken from the General Fund balance through the budget amendment attached.

Respectfully submitted for Council consideration.

Alderman Lower questioned this item.

Frank Koehler, Interim PACE Director, addressed the Council. There had been a number of instances when the roof had leaked. The roof was in bad condition. This request was emergency in nature. This item was planned for inclusion in the FY 2015 Budget.

Alderman Lower questioned if this item could be delayed. Mr. Koehler expressed his opinion that worker and citizen safety would be endangered. There were a number of holes in the roof. It was close to interfering with the electrical systems. City Hall was an old building. It was the nature of the roof.

Alderman Lower questioned documentation.

David Hales, City Manager, addressed the Council. There had been discussion of including this item in the FY 2014 Budget. City staff had believed that this project could wait for one more year. It had become an emergency repair.

Motion by Alderman Lower, seconded by Alderman Schmidt that the bid for Replacement of the City Hall Roof be awarded to Wyman Roofing, Peoria Heights, IL, in the amount of \$226,311, and the Mayor and City Clerk be authorized to execute the necessary documents for approval of the Base Bid and Alternates One and Three, the Budget Amendment be approved and the Ordinance passed.

SUBJECT: McLean County Animal Shelter Agreement

RECOMMENDATION/MOTION: That the agreement with McLean County Board of Health for use of the McLean County Animal Shelter be approved, in the amount of \$35,544, and the Mayor and City Clerk be authorized to execute the necessary documents.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective efficient manner.

BACKGROUND: For the past several years, the City and the McLean County Health Department have had an agreement wherein the County Board of Health provides shelter for

stray animals. The Town of Normal has a similar agreement. The present contract expires April 30, 2014.

For the period May 1, 2014 through April 30, 2015, the proposed contract with the McLean County Board of Health reflects an increase of two percent (2%) from \$34,847 a year to \$35,544 per year. This increase has been budgeted in Police - Other Purchased Services (10015110 - 70690).

This agreement is renewable on a year to year basis and will be in effect from May 1, 2014 through April 30, 2015.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective efficient manner.

BACKGROUND: For the past several years, an intergovernmental agreement has been in effect between the City and McLean County Board of Health whereby the Board of Health assumes all responsibilities for the duties of animal control on a 24-hour a day basis within the corporate limits of the City and will enforce all Illinois animal control laws and City Ordinances relating to animals. The Town of Normal has a similar agreement for these services. Specific services and conditions are outlined in the intergovernmental agreement. The agreement reflects an increase from \$99,426 to \$101,412, a two percent (2%) increase which has been budgeted in Police - Other Purchased Services (10015110 - 70690).

The Mayor directed the clerk to call the roll which resulted in the following:

Motion carried.

The following was presented:

SUBJECT: Application of Asil 1, Inc., d/b/a Price Rite Food Mart, located at 706 N. Clinton, requesting a GPBS liquor license

RECOMMENDATION/MOTION: That an GPBS liquor license for Asil 1, Inc., d/b/a Price Rite Food Mart, located at 706 N. Clinton, be created, contingent upon compliance with all applicable health and safety codes with the following condition: 1.) No single serve sale items.

STRATEGIC PLAN LINK: Goal 4. Grow the local economy.

STRATEGIC PLAN SIGNIFICANCE: Objective 4a. Retention and growth of current local business.

BACKGROUND: The Bloomington Liquor Commissioner Tari Renner called the Liquor Hearing to order to address the reappearance of Asil 1, Inc., d/b/a Price Rite Food Mart, located 706 N. Clinton, requesting a GPBS liquor license which would allow the sale of packaged beer and wine only for consumption off the premises seven (7) days a week. Present at the hearing were Liquor Commissioners Tari Renner, Geoffrey Tompkins and Jim Jordan; George Boyle, Asst. Corporation Counsel, Clay Wheeler, Asst. Police Chief, and Tracey Covert, City Clerk, and Ahmad Samhan, owner/operator and Applicant's representative.

Commissioner Renner opened the liquor hearing and noted that this was the third hearing regarding this application. The State of Illinois had lifted the hold. There was a payment plan with the Dept. of Revenue.

George Boyle, Asst. Corporation Counsel, addressed the Commission. He had verified Commissioner Renner's comments. The applicant was a different legal entity. There was an approved payment plan and the state had lifted the hold.

Commissioner Renner noted that concerns had been raised. He encouraged the Commission to grant consideration of this application with the following condition: no single serve sale items. Beer could be sold in six (6) packs and/or forty ounce (40 oz.) cans. This condition would be revisited six (6) months after a liquor license was created. He recognized neighborhood residents concerns.

Ahmad Samhan, owner/operator and Applicant representative, addressed the Commission. He stated that single serve items were the most profitable. Surveillance cameras had been installed on March 4, 2014. The business' appearance had been improved.

Commissioner Tompkins noted that Mr. Samhan had complied with all of the Commission's requests.

Commissioner Jordan noted the initial \$100,000 payment. Mr. Samhan confirmed that this payment had been made.

Commissioner Renner restated that the state had released its hold and recognized citizen objections.

Mr. Boyle noted that there were two (2) different legal entities. There was a familial relationship. The Commission should look at other factors, (Chapter 6. Alcoholic Beverages, Section 4B. Creation of New License Findings). He restated that the state had removed the hold.

Commissioner Jordan noted the \$4,500 monthly payments. Mr. Samhan informed the Commission that payments were made by his father. Payments were made on March and April 1, 2014.

Commissioner Jordan addressed Mr. Samhan's original application. He questioned Mr. Samhan's employment at this address. Mr. Samhan had been employed at this address for two (2) years. He did not have a management experience during this time.

Commissioner Jordan cited the monthly rent – \$4,250 and a twenty (20) year contract with his father. Mr. Samhan responded affirmatively.

Commissioner Jordan questioned if the City had verification from the Liquor Control Commission that the state would issue a liquor license if the City issued one. Mr. Boyle noted that the applicant would not be eligible for a state liquor license without a local one.

Commissioner Jordan cited the debt, \$750,000. He expressed his interest in an understanding that if Mr. Samhan's father missed a payment that the City's liquor license would be revoked. These were taxpayer dollars. He noted that Mr. Samhan had filed this application in December 2013. He questioned the number of payments made. Mr. Samhan restated two (2) payments March and April 2014.

Commissioner Jordan noted that the store has remained open. Mr. Samhan informed the Commission that the store had closed in January 2014. He reopened the store in February 2014 under a new corporation.

Commissioner Jordan expressed his belief that payments must be kept current.

Commissioner Renner questioned City action if payments to the state were not kept current.

Mr. Boyle noted that generally if a debt is owed to the state and it remained unpaid the state withdraws its liquor license. He restated that there were two (2) separate entities. Failure to make payments might result in a lien being placed upon the property.

Commissioner Jordan expressed his concern regarding separate entities being created by the same family. The property/business had been transferred from one family member to another.

Mr. Samhan stated that the business could not be sold without a liquor license.

Mr. Boyle informed the Commission that a violation of law might result in a revocation. He referred the Commission to Chapter 6. Alcoholic Beverages, Section 37. Same (Local Liquor Control Commission) – Powers and Duties Generally. He added that fines and/or sanctions were possible. However, this situation was not one of them.

Mr. Samhan informed the Commission that the state had placed a lien on the property and his father's home.

Mr. Boyle noted that the hold had been lifted but not the liens.

Commissioner Tompkins expressed his opinion that there were enforcement mechanisms. He was not prepared to allow a neighborhood in transition to have a vacant building.

Commissioner Jordan stated that the state expected the local governing entity to perform the background work. If the City approved a liquor license, then the state would also. He restated the tax debt, \$750,000. If the Commission approved this application, he wanted to be assured that Mr. Samhan would do the right thing. He questioned how this was allowed to happen.

Commissioner Renner suggested that the Commission include a stipulation and set an expectation.

Mr. Boyle addressed the Commission. He restated that this applicant was a separate entity. The state was satisfied. He referred the Commission to Section 4B. Creation of New License -

Findings. There was a variety of criteria to consider. Financial responsibility was only one of them.

Commissioner Jordan noted that Mr. Samhan had no responsibility to pay this debt. He expressed his concern regarding the father's action, (i.e. does not repay).

Mr. Boyle informed the Commission that he did not have a copy of the agreement. The Commission needed to address the financial issues regarding this entity.

Julie Pell, ADDRESS, addressed the Commission. She had addressed the Commission at their March 11th meeting. She had been unable to go to the store and Mr. Samhan had personally made deliveries.

Motion by Commissioner Tompkins, seconded by Commissioner Renner to recommend to the City Council that a GPBS liquor license for Asil 1, Inc., d/b/a Price Rite Food Mart, located at 706 N. Clinton St., be created contingent upon compliance with all applicable health and safety codes with the following condition: 1.) no single serve sale items.

Ayes: Commissioners Renner and Tompkins.

Nays: Commissioner Jordan.

Motion carried.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Public notice was published in the Pantagraph on February 3, 2014 in accordance with City Code. In accordance with City Code, approximately 198 courtesy copies of the Public Notice were mailed on January 31, 2014. In addition, the Agenda for the April 8, 2014 Meeting of the Liquor Commission was placed on the City's web site. There also is a list serve feature for the Liquor Commission.

FINANCIAL IMPACT: None. Request is for a change of ownership. Annual fee for a GPBS liquor license is \$1,180.

Respectfully submitted for Council consideration.

Alderman Stearns addressed this item. She cited neighborhood concerns. She had not received a courtesy notice and cited the distance from her residence. There had been no opportunity to voice concerns. She cited the neighborhood's experience with this store. She questioned if the Police Department had express an opinion regarding this application. She cited a pay phone and traffic. There was the environment. It was located along a

school route, (Bloomington Junior and Senior High Schools). She was opposed to a liquor license at this location until there was a complete turn around. This was a vulnerable neighborhood. She cited crime. She recommended that this item be denied. She cited the sales tax debt. She did not believe that the Samhan's would be able to repay same. She expressed her disappointment in the Liquor Commission.

Mayor Renner reviewed this application's history before the Commission. The state had removed the hold on the property as there was a payment plan. Over the past three (3) months, people addressed the Commission who were in support of or in opposition to this application. The Commission could review the City Code and review the 500' notice requirement. The Commission had been divided and concerned regarding this application. Testimony was taken before the Commission. A Text Amendment would be a policy decision which would be approved by the Council.

Motion by Alderman Schmidt, seconded by Alderman Stearns that an GPBS liquor license for Asil 1, Inc., d/b/a Price Rite Food Mart, located at 706 N. Clinton, be denied.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

SUBJECT: Text Amendment to Chapter 13. Concealed Weapons

RECOMMENDATION/MOTION: Recommend that the Text Amendment be approved and the Ordinance passed.

STRATEGIC PLAN LINK: Goal 4. Strong neighborhoods.

STRATEGIC PLAN SIGNIFICANCE: Objective 4a. Residents feeling safe in their homes and neighborhoods.

BACKGROUND: Chapter 13 of the City Code makes it unlawful for a person to carry, conceal about their person, display or flourish in a threatening manner a dangerous or deadly weapon. The Chapter further enumerates exceptions to this prohibition and provides a penalty for its violation. The proposed amendments reflect Illinois's recent adoption and implementation of the Firearm Concealed Carry Act by adding an exception for persons in possession of a handgun who also have in their possession a concealed carry license issued pursuant to the Act. In addition, the range of penalty for violating the provisions of the Chapter was increased from a range of \$25.00 - \$200.00 to a range of from \$250.00 - \$2,000.00.

Other changes were made to the text of the Chapter that clarify and update the language but do not change the substance of the Chapter. The amendments were drafted by the Legal Department in consultation with the Police Department.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

FINANCIAL IMPACT: No financial impact is expected.

Alderman Lower noted that this item addressed concealed carry. He noted his background regarding handguns. He noted the definition of handgun in the proposed text amendment. He requested that it be changed to firearms to mirror state statute.

Jeff Jurgens, Interim Corporation Counsel, addressed the Council. He welcomed George Boyle, Asst. Corporation Counsel and Brendan Heffner, Police Chiefs, comments on this item. This Text Amendment was tied to the state statute regarding concealed carry handguns. He referred to same.

Brendan Heffner, Police Chief, addressed the Council. The proposed Text Amendment was consistent with state statute.

Motion by Alderman Lower, seconded by Alderman Schmidt that the Text Amendment be approved and the Ordinance passed.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

The following was presented:

Public Hearing - FY 2015 Proposed Budget

Mayor Renner opened the Public Hearing.

Alton Franklin, 508 Patterson Dr., addressed the Council. He expressed his concern regarding the budget process. Citizens were fed up. They were waking up. He had attended the Town Hall Meeting held by Aldermen Lower and Stearns. The budget process had been vague and noncommittal. He cited key questions: what do you need; what does it cost; and why do. The City was still experiencing hard times. He expressed his concern that there would be a tax bump. He believed that the Utility Tax would be a good way to address the Police and Fire Pension Funds. The Council needed to pay attention, take action on the structural deficit and be methodical.

Ron Schultz, 1208 E. Oakland, addressed the Council. He had watched the budget process with interest. He had been convinced that the Council was resolute to solve the City's financial problems. The difference was what should the City be doing. It may need to pull back. Five (5) years ago the City eliminated seventy (70) positions. This number should have been higher. The City should issue bonds in the amount of \$40 million. A committee should be established which would determine how to spend these funds. The Council needed to look to the future, focus on growth and attract business. The City needed a growth agenda to sustain the City.

Karen Davis, 57 Whites Pl., addressed the Council. She had been a City resident for a long time and owned a small business. She was a parent and a member of Bike BloNo. Her home and business were located along Constitution Trail. The City was in a difficult situation. She did not have the answers. The Council had been presented with strict choices – either or. The Council needed to work towards balance. She addressed quality of life. The City needed a multi year solution. The City needed a community that people wanted to/chose to live here.

Phyllis LAST NAME, 49 Kingsfield Circle, addressed the Council. She was a member of the League of Women's Voters. The City was facing a financial crisis which needed to be addressed. Seventy-five (75) positions had already been eliminated. City employees were doing more than one (1) job. City employees were demoralized. The Council needed to find a way to pay for Police and Fire Pensions. City infrastructure needed to be repaired. The Council needed to raise revenue. There were a number of options. The Council needed to create ways to pay for necessities. She noted the recommendations for a large long term loan, (i.e. bond issue). She encouraged the Council to try to get along and reach consensus. She restated that the Council needed to find ways to raise revenue.

Bob Clay, XXX Shoal Creek Ct., addressed the Council. He had reviewed the proposed FY 2015 Budget on the City's web site. The General Fund had been increased by twelve percent (12%). The City's budget could not continue to grow at six percent (6%). The City will run out of people to pay the bills. He cited his electric bills which already included 8.4% in taxes. Utility taxes would be a cost to everyone. He believed that if Utility Taxes were raised that prices through out the economy would also increase.

Elizabeth Grupper, ADDRESS, addressed the Council. She believed that the Council was focused on pet projects. The focus needed to be on the taxpayers' basic needs. She was opposed to the US Cellular Coliseum, smart water meters were a health hazard. Mayor Renner supported the increase to the Utility Tax, a new library and a Downtown hotel. These items were not affordable. She was opposed to bike paths. McLean County Unit 5 wanted new schools. She cited the pension debt. She questioned what City services should be provided. The City needed to break even. She recommended a ten to twenty percent (10 – 20%) reduction across the board. The Police and Fire Departments and City infrastructure would be exempt. The City could do without the extras.

Marty Seigel, 615 E. Chestnut St., addressed the Council. She believed that there was an ideological divide. The City had spent dollars on wants and needs. Citizens had an issue with faith in the government. The Council needed to protect the tax base. The inspection budget was too small. There needed to be a focus on the central city. She encouraged the Council to take a serious look at same. She had seen an interest/focus on buildings/infrastructure. The focus should be on programs. She addressed revenue streams. If the program was needed, then figure out a way to pay for same. She had seen waste. She questioned how many buildings the City owned and what number was affordable.

Gary Lambert, 3018 E. Oakland Ave., addressed the Council. He believed that there was a trust issue between the citizens and those in control of government finances. He believed that it was easy to say yes. If you do not have the money, then you cannot spend it.

Bruce Meeks, 1210 Wright, addressed the Council. The Council needed to be nonpartisan. There needed to be a balanced approach. The Council should pass an Ordinance that would fund the City for thirty (30) days. This action would allow

additional time. There needed to be more citizen engagement in the budget process. He addressed revenue. In 2012, the City was the highest local tax generating municipality in the state. He found this disturbing. The proposed Utility Tax was a missed opportunity. The City needed to file a Utility Tax increase in December. The City would not see any new revenue until January 2015. Deadlines had been missed. The Council did not raise the Property Tax last fall. He restated his recommendation that the Council pass a temporary spending ordinance.

Mayor Renner closed the Public Hearing.

The following was presented:

SUBJECT: Amendment to US Cellular Coliseum Development and Management Agreement

RECOMMENDATION/MOTION: That the First Amendment to the Development and Management Agreement with Central Illinois Arena Management, Inc., (CIAM), be approved and the Mayor authorized to execute the necessary documents.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective, efficient manner.

BACKGROUND: The City previously entered into a Development and Management Agreement with Central Illinois Arena Management, Inc. (“CIAM”) to manage and operate the U.S. Cellular Coliseum owned by the City. Part of the Agreement, Section 2.3, sets forth the requirements of CIAM to provide “commitments” from “professional” sports franchises as primary tenants as set forth in the agreement. The obligation as it related to hockey identifies that CIAM had secured a hockey franchise approved for play in the Bloomington Region as defined by its league membership with BMI Hockey, L.L.C. BMI Hockey, L.L.C. has since ceased operations and various other hockey licenses have been approved by the City. CIAM is now presenting an opportunity with the United States Hockey League, a Tier 1 Hockey League that is believed to be a better fit both for the Coliseum and the community. To ensure the Agreement is clear, it is recommended it be amended to clarify simply that CIAM must provide an approximate 50 franchise or similar sporting events on an annual basis.

FIRST AMENDMENT TO DEVELOPMENT AND MANAGEMENT AGREEMENT

This First Amendment to the Development and Management Agreement between the parties entered into on or around October 10, 2005, is made and entered into as of the ____ day of April, 2014, by and between the City of Bloomington ("City"), a municipal corporation in the County of McLean and State of Illinois, and Central Illinois Arena Management, Inc. ("CIAM"), organized under the laws of the State of Illinois.

RECITALS

A. The City previously entered into a Development and Management Agreement ("Agreement") with CIAM to provide for the operation and management of the U.S. Cellular Coliseum.

B. Section 2.3 of the Agreement sets forth CIAM's obligations regarding the provision of sport franchises.

C. To ensure clarity between the parties, the City and CIAM desire to amend the Agreement to provide that the U.S. Hockey League meets the standards of Section 2.3 and is an acceptable hockey franchise.

NOW, THEREFORE, the parties agree as follows:

1. Section 2.3 of the Agreement shall be deleted in its entirety and replaced as follows:

2.3 Sporting Events. CIA shall be responsible for providing the Coliseum commitments for franchise or similar capacity sporting events, with aggregate annual playing dates approximating fifty (50) home dates at the Coliseum.

2. In all other respects the Development and Management Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this First Amendment to Development Agreement in duplicate this day and year first above written.

Mayor Renner introduced the Amendment to the US Cellular Coliseum (USCC) Development and Management Agreement, the Termination of the Hockey License Agreement – USCC with Illinois Pro Sports, LLC and the Hockey License Agreement with CSH International, Inc. He added that these agreements were all related. These items will require a unanimous vote.

Jeff Jurgens, Interim Corporation Counsel, addressed the Council. The Amendment to USCC Development and Management Agreement and the Termination of the Hockey License Agreement – USCC with Illinois Pro Sports, LLC only needed a majority vote of the members present.

David Hales, City Manager, addressed the Council. The amended agreement with Central Illinois Arena Management, (CIAM), addressed supporting events. The current agreement reference professional teams. Minor league hockey was generally unprofitable. Many times the team owners lacked the management expertise. The amended agreement would allow amateur hockey. He recommended approval of same.

Alderman Mwilambwe questioned background information and the impact upon other teams. Mr. Hales noted that the agreement addressed all sporting events and required fifty (50) home dates.

Alderman Stearns expressed her concern regarding legalities if this amendment were approved. She also questioned the impact of this action on the remainder of the agreement.

Mr. Jurgens noted that this was a specific change to a section of the contract. Fifty (50) sporting events would still be required. The remainder of the agreement stayed in full force and effect.

Alderman Stearns acknowledged her understanding. She recommended that the City question other aspects of this agreement.

Mr. Jurgens recommended that discussion of other items be addressed at a future Committee of the Whole Meeting/Work Session. The Council could review the entire agreement and provide future direction to City staff.

Mr. Hales acknowledged that the City's outside auditors had identified a couple of ambiguous terms. The City should find ways to clarify these terms, (i.e. be more specific). This action would allow these items to be removed from the Management Letter. City staff was willing to look at same. The City goal was to provide assistance that would make the USCC profitable. The City had seen progress. He noted that operations were in the black.

Mayor Renner cited the debt service.

Alderman Lower addressed repercussions. He hoped that this item would not be passed by the Council. The people had the right to know what the City was owed.

Mr. Hales cited that the USCC had annual independent audit. He expressed his willingness to meet with Alderman Lower and/or the entire Council.

Alderman Stearns believed that this was a critical matter. The issue was transparency. She read from the audit. It was time to address these issues. She planned to vote no. She added that there were no issues with the hockey league. There were a number of other issues and now was the time to address same.

Alderman Schmidt questioned the impact if the Council voted against same.

Mr. Jurgens restated that only one (1) provision was being clarified. The others issue would be addressed at a future date.

Motion by Alderman Mwilambwe, seconded by Alderman Painter that the First Amendment to the Development and Management Agreement with Central Illinois Arena Management, Inc., (CIAM), be approved and the Mayor authorized to execute the necessary documents.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Mwilambwe, Schmidt and Painter.

Nays: Alderman Stearns and Lower.

Motion carried.

The following was presented:

SUBJECT: Termination of the Hockey License Agreement – US Cellular Coliseum

RECOMMENDATION/MOTION: That the Termination Agreement with Illinois Pro Sports, LLC be approved and the Mayor and City Clerk be authorized to execute the necessary documents.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective, efficient manner.

BACKGROUND: The City previously entered into a Development and Management Agreement with Central Illinois Arena Management, Inc. (CIAM) to manage and operate the U.S. Cellular Coliseum owned by the City. Part of the Agreement, Section 3.1(c) provides that the City shall have the right to approve any license, agreement, commitment or contract in an amount in excess of \$9,999, or where the proposed term will extend beyond the term of the Agreement, which approval and execution shall not be unreasonably withheld. In 2013, the City approved a hockey license agreement with Illinois Pro Sports, LLC, which was to have a term of two (2) seasons. CIAM has presented a new hockey license with CSH International, Inc. (CSH) and is accordingly seeking early termination of the agreement with Illinois Pro Sports. All parties have agreed to the termination and there are no financial penalties associated with it.

David A. Hales
City Manager

(CONTRACT)

Mayor Renner introduced this item.

David Hales, City Manager, addressed the Council. The City needed to terminate this agreement first. This was the existing agreement and there was no opposition from the current owners.

Alderman Schmidt requested clarification. There was no financial liability on the City's part.

Mr. Hales responded affirmatively.

Motion by Alderman Mwilambwe, seconded by Alderman Schmidt that the Termination Agreement with Illinois Pro Sports, LLC be approved and the Mayor and City Clerk be authorized to execute the necessary documents.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Hockey License Agreement with CSH International, Inc.

RECOMMENDATION/MOTION: That the Hockey License Agreement with CSH International, Inc., be approved and the Mayor and City Clerk be authorized to execute the necessary documents.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective, efficient manner.

BACKGROUND: The City previously entered into a Development and Management Agreement with Central Illinois Arena Management, Inc. ("CIAM") to manage and operate the U.S. Cellular Coliseum owned by the City. Part of the Agreement, Section 3.1(c) provides that the City shall have the right to approve any license, agreement, commitment or contract in an amount in excess of \$9,999, or where the proposed term will extend beyond the term of the Agreement, which approval and execution shall not be unreasonably withheld. Such a license is now being presented by CIAM with CSH International, Inc. ("CSH"), to provide a franchise for Tier 1 Hockey League at the Coliseum. See correspondence and comparison of financial terms from John Butler attached hereto.

The new license agreement closely follows many of the same terms of the previous license agreement approved by the City. Some of the highlights of the license include:

- (1) CSH is required to play 28 home games, although one can be played off site;
- (2) The term of the agreement is for 5 full hockey seasons through 2019, but CSH can add another hockey season upon notice by December 1, 2018;
- (3) CSH is responsible for advertising, with oversight by CIAM;
- (4) The rental fee per game is \$5,000, with the Operator's ability to designate up to 6 home games as special events with waiver of the parking and/or facility fees;
- (5) There is an attendance credit available, which may be withdrawn by the City or CIAM on a year to year basis, inclusive of 500 complimentary tickets (i.e., season tickets, etc.);
- (6) Provisions on merchandising and concessions;
- (7) The City/CIAM shall retain 100% of parking revenue;
- (8) The ability to reschedule up to 3 home games per season for concert or large show events;

- (9) CSH is given practice time free of charge at three (3) hours per day, on average of four (4) days per week subject to Coliseum event schedule;
- (10) There are liquidated damages ranging from \$150,000 to \$228,000, subject to the continuation and success of the league itself, but no security interest is granted;
- (11) CSH is required to maintain a letter of credit in the amount of \$100,000;
- (12) There are insurance requirements and cross indemnity provisions that mirror the past obligations and risks undertaken by the City and CIAM;
- (13) There is a liquidated and consequential damages clause upon the default of any party that mirrors the previous license agreement and contains the same risks and obligations;
- (14) There is a force majeure clause that places certain requirements on the City in relation to potential future impairment of the Coliseum that mirrors the past obligations and risks undertaken by the City and CIAM;
- (15) Subject to reasonable restrictions, the City/CIAM controls any league changes;
- (16) CSH has a right to terminate the agreement early if the attendance does not average (inclusive of complimentary tickets) at least 2,000 people per game after three seasons;
- (17) There are restrictions on renting the Coliseum for hockey play by a league at the Junior A Level or higher, not including any hockey team associated with the University of Illinois, Illinois State University or the City Parks and Recreation Department;
- (18) CSH has the right to sell on-ice advertising for games and any on-ice advertising sold by the City/CIAM for a commission of 10% of gross sales;
- (19) CSH will provide a parking fee of .50 cents and a facility fee of .50 cents per ticket sold to each home game after the first 500 tickets sold;
- (20) The City/CIAM is to keep all suite revenue with the exception of payments in the amount of \$2,750 to CSH for each full suite season ticket sold and \$1,375 for each half suite season tickets sold;
- (21) The City/CIAM keeps all Coliseum Club seat members annual dues and a commission of 10% for each Coliseum Club season ticket sold by the City/CIAM;
- (22) CSH retains revenue from two Party Suites and the Ice Box Area at home games;
- (23) The City/CIAM reserves rights to concessions with distributions to CSH ranging from 10% to 15% of the gross concession revenue depending on the amount sold;
- (24) CSH retains the rights to sell team merchandise and proceeds of same;
- (25) CSH is to be given office space sufficient for 8 to 10 employees to be provided by CSH; and
- (26) CIAM must provide CSH a reasonable number of prime dates for its home games with an average of seven weekend dates per month.

David A. Hales
City Manager

(CONTRACT)

Mayor Renner introduced this item.

David Hales, City Manager, addressed the Council. He viewed this item as an opportunity.

John Butler, Central IL Arena Management's President, addressed the Council. He noted that the recommendation was to enter into a five (5) year agreement with CSH International, Inc. This firm had been in the sporting industry since 1977. Bill Yuill, Monarch Corporation's Chairman & CEO, had the experience. CSH owned and operated golf courses, major junior hockey teams and a baseball team.

He noted that during the past eight (8) years there had been six (6) ownership changes and four (4) league changes. The USCC was a top venue in the Midwest for hockey. CIAM received telephone inquiries regarding same on a regular basis. This was a market opportunity. CIAM had performed due diligence regarding CSH's financial viability. The demographics were well matched. CSH represented proven owners who had demonstrated effective marketing. The USHL, (United States Hockey League), showcased the best young talent. These players would be the future NHL stars. This would be a unique situation as the players stayed with families in the communities. The players become involved with local schools. The team's new coach had a winning record. He was excited about this new partnership and was confident in CSH's ability.

Alderman Stearns questioned the impact of this agreement upon the naming rights agreement with US Cellular.

Mr. Butler responded none. The naming rights were in place.

Alderman Stearns restated her question regarding naming rights and US Cellular. Mr. Butler restated his previous response.

Alderman Lower questioned the five (5) year lease.

Mr. Butler noted that this term provided the ownership group with the opportunity to build a foundation.

Alderman Lower questioned the pay differential per game.

Mr. Butler acknowledged that the previous agreement required more home games. He added his belief that there would be an increase in attendance. Other revenue silos would therefore benefit from same.

Alderman Mwilambwe addressed the various owners and questioned instability.

Mr. Butler restated six (6) owners, four (4) leagues and three (3) name changes. Each owner believed that they would be successful. Hockey was a business. CSH represented a group of individuals who know what it takes to sustain a team, (i.e. proper staffing and marketing). He restated that CSH had the experience and financial wherewithal.

Alderman Schmidt stated that at first she was skeptical. She appreciated the time given to address this item. The five (5) year lease represented stabilizing the hockey team. She noted the diligence of the new owners. She looked forward to the next hockey season.

Alderman Stearns questioned if CIAM had established a whistle blower policy for its employees. Mr. Butler responded affirmatively.

Alderman Stearns noted that this was one (1) of her concerns. She added that she had reviewed the key documents. She restated her concerns regarding the contract with CIAM. It was budget time. The contract was not strictly adhered to. This was an opportunity to address transparency for the citizens. She restated that action on this item would not preclude an examination of the remainder of the contract. She restated that this was the opportunity. She had nothing against hockey.

Jeff Jurgens, Interim Corporation Council, addressed the Council. He noted City staff's intention to look at the issues. The City has been provided with a copy of the Management Letter. Review of same would be a high priority.

Mr. Hales noted that the current independent audit gave an unqualified opinion. The concerns were listed in the Management Letter. He restated that the USCC had been given a clean audit opinion. There would always be items to work on.

Alderman Painter stated that she had been doubtful at first. Her questions had been answered. She thanked Mr. Butler. This agreement provided an opportunity to involve the community's youth in hockey.

Alderman Stearns expressed her appreciation to Mr. Jurgens for his comments. She viewed this issue seriously. Mr. Hales had elected not to look at same. This situation was extremely serious and critical. She wanted something done soon and she demanded a time line. She addressed personal accountability as an Alderman to the citizens. The auditors confirmed numbers. She wanted to be sure as this was not a minor issue.

Mayor Renner noted that Alderman Stearns had the assurances of Mr. Hales and Mr. Jurgens. He questioned what more was needed.

Alderman Stearns restated that this must be done and action would be taken.

Mr. Hales informed the Council that meetings had been held with Mr. Jurgens and CIAM with CIAM's legal counsel. A plan to resolve these issues would be brought to the Council. The language would be clarified.

Alderman Mwilambwe was also skeptical. He noted that hockey would be changing from professional to amateur. He was satisfied that this would be a better product. There were individuals in the community who enjoyed hockey. He cited the potential for a larger investment. The Council needed to welcome and support CSH to the City.

Mayor Renner suggested a certain time to readdress the issues, (i.e. a Work Session be held by the end of June).

Mr. Hales believed that the issues would be resolved in sixty (60) days.

Alderman Stearns restated that Council would have the opportunity to vote.

Alderman Lower added that it must be finalized and completed.

Mr. Jurgens suggested that the Council hold a Special Meeting to address a second amendment to the agreement with CIAM.

Motion by Alderman Schmidt, seconded by Alderman Mwilambwe that the Hockey License Agreement with CSH International, Inc. be approved and the Mayor and City Clerk be authorized to execute the necessary documents.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

The following was presented:

SUBJECT: "TIGER 2014" Discretionary Grant from the U.S. Department of Transportation (US DOT) for Hamilton Rd. – Bunn to Commerce Connection

RECOMMENDATION/MOTION: Recommend that staff be authorized to proceed with a grant application to US DOT and the Resolution supporting the project and obligating the City to authorize local matching funds up to \$2,900,000 be adopted.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services; Goal 2. Upgrade City infrastructure and facilities; and Goal 4. Strong neighborhoods.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in a cost-effective manner; 1e. Partnering with others for the most cost-effective service delivery; and 2a. Better quality roads and sidewalks; and 4d. Improved neighborhood infrastructure.

BACKGROUND: On March 3, 2014, the US DOT released a “Notice of Funding Availability” for its latest round of surface transportation discretionary grant funding, called “TIGER 2014 or TIGER 6.” The TIGER program has a minimum request threshold of \$10 million and is only available for projects that can begin construction quickly upon receipt of a grant. In reviewing potential City projects that meet these and other eligibility requirements, staff believes the connection of Hamilton Rd. would be the best submission and most likely way to fund a project of this scale. The TIGER Grant submittal deadline is April 28, 2014.

The Hamilton Rd. (Bunn St. to Commerce Pkwy.) project has been discussed and planned over the past fifteen (15) years. The completed project would:

- Provide an essential east - west arterial for 7.2 miles from Fox Creek Subdivision to 0.5 miles east of Hershey Rd.;
- Construct approximately 3,000’ of new four-lane arterial road between Bunn St. and Commerce Pkwy.;
- Relocate existing Norfolk Southern Railway (NSRR) sidings;
- Close the dangerous intersection of Rhodes Ln. and US 150 (Morrissey Dr.); and
- Construct a new at-grade crossing with NSRR. The City has completed concept plans. The concept plans will need to be updated to current standards and guidelines for projects being constructed with federal funds.

TIGER 2014 pays up to eighty percent (80%) of the total project cost with the remaining twenty percent (20%) coming from non-federal sources (most likely a local match). The budget for this project is approximately \$14,500,000. The City has already committed local funds for right of way acquisition and planning and design services. Staff is working to finalize the budget and grant request. If the full \$11.6 million (80%) were awarded, the local match would be \$2.9 million (20%). The City’s local match could be covered with unrestricted capital funds, motor fuel tax funds, or borrowed funds. Grant expenditures will happen over a three (3) year period. Design and acquisition activities would commence upon award in 2014. Construction could begin in 2016. The project could be reduced to accommodate a smaller award than the amount requested.

The connection of Hamilton Rd. should:

- More efficiently move commuters, students, and goods.
- Improve safety by removing an intersection near an at-grade railroad crossing.
- Reduce traffic on substandard or over capacity roadways.
- Provide economic opportunities for development west of the Norfolk Southern Railroad.
- Promote multi-modal transportation from residential and recreational areas to employment centers.

This project is an integral part of the City's infill growth strategy and Comprehensive Plan.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: The Hamilton Rd. (Bunn St. to Commerce Pkwy.) project has been discussed with stakeholders for the past fifteen (15) years. There is general support for this project, and an understanding by the stakeholders that the project will provide a needed east west arterial street connection in the southern portion of the City.

FINANCIAL IMPACT: The City obligation will be \$2,900,000 matching funds if the project is awarded and the matching City monies would be eligible for Motor Fuel Tax funding. This work was budgeted to be done in the out years in the Motor Fuel Tax Fund and projects will be adjusted to provide for the match.

Respectfully submitted for Council consideration.

RESOLUTION NO. 2014 - 15

A RESOLUTION IN SUPPORT OF TIGER 2014 DISCRETIONARY GRANT FROM THE U.S. DEPARTMENT OF TRANSPORTATION FOR THE HAMILTON ROAD – BUNN TO COMMERCE CONNECTION

WHEREAS, the City of Bloomington is a home rule unit of local government with authority to legislate in matters concerning its local government and affairs; and

WHEREAS, on March 3, 2014, the U.S. DOT released a “Notice of Funding Availability” for its latest round of surface transportation discretionary grant funding, called “TIGER 2014 or TIGER 6”; and

WHEREAS, the TIGER program has a minimum request threshold of \$10 million and is only available for projects that can begin construction quickly upon receipt of a grant; and

WHEREAS, in reviewing potential City projects that meet the eligibility requirement, the corporate authorities of the City believe the connection of Hamilton Road meets the requirements and would be a way to help finance a project of such magnitude;

WHEREAS, the TIGER 2014 pays up to 80% of the total project cost with the remaining 20% coming from non-federal sources and the estimated cost for the Hamilton Road Connection Project is \$14,500,000; and

WHEREAS, the City has already committed local funds for right of way acquisition and planning and design services and believes the local match would be approximately \$2,900,000 which could be covered with unrestricted capital funds, motor fuel tax funds or borrowed funds; and

WHEREAS, it is believed the Hamilton Road Connection Project would more efficiently move commuters, students and goods, improve safety by removing an intersection near an at-grade railroad crossing; reduce traffic on substandard or over capacity roadways; provide economic opportunities west of the Norfolk Southern Railroad; and promote multi-modal transportation from residential and recreational areas to employment centers; and

WHEREAS, the corporate authority of the City of Bloomington desire to pass this Resolution to demonstrate its support for the application of the TIGER 2014 Grant and the Hamilton Road Connection Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL FOR THE CITY OF BLOOMINGTON, ILLINOIS:

SECTION ONE: That staff is authorized to proceed with the TIGER 2014 Discretionary Grant application for the Hamilton Road Connection Project. The City Council further states its support of the Hamilton Road Connection Project as well as its support and acknowledgment of the local matching requirements of same.

SECTION TWO: That the City Clerk be and she is hereby authorized and directed to attest the signature of the Mayor on said Agreement and retain an original in her office for public inspection.

ADOPTED this 14th day of April, 2014.

APPROVED this 15th day of April, 2014.

APPROVED:

Tari Renner
Mayor

ATTEST:

Tracey Covert
City Clerk

Mayor Renner introduced this item. The Hamilton Rd. extension project was discussed during the One Voice trip. It represented an economic development tool. It would have a positive impact upon traffic on Veterans Pkwy.

Alderman Lower believed that there needed to be a conversation regarding the need for this project, the process for same, the project's time line and payment for same.

Jim Karch, Public Works Director, addressed the Council. This project was a key component. It would not take funding away from other City projects. TIGER was a nationwide competitive grant. It would address a need.

Alderman Lower questioned traffic counts. He believed that it would benefit a major employer.

Mr. Karch addressed traffic models. The ADT (Average Daily Traffic) count would be 15,000 vehicles per day. Traffic along Veterans Pkwy. would also be diverted. The City's east/west traffic patterns were weak. This project would result in a major arterial east/west road in the southern portion of the City.

Alderman Lower questioned payment.

Mr. Karch noted the City's annual MFT (Motor Fuel Tax) funding. The project had a three (3) year time line: design, acquisition of right of way, and construction.

Alderman Lower cited other infrastructure needs. Traffic could be diverted to other streets.

David Hales, City Manager, addressed the Council. The City lacked a Streets Master Plan. This was an expensive high priority project. This grant represented an opportunity to obtain funding for a substantial portion of the project's cost. He acknowledged the need to widen Lafayette St. A Streets Master Plan would demonstrate the need to include project funding. The City must pursue federal and state funding sources. There was a narrow window of opportunity regarding this specific grant.

Alderman Mwilambwe cited the time line. The grant must be submitted by April 28, 2014. He questioned grant awarding time line and when road construction would commence.

Mr. Karch informed the Council that there was no time line for grant award had been provided. He restated that this was a nationwide grant program. He restated the first

step would be the design phase, the second step addressed land acquisition. The City has a design that would need to be updated. Finally, there were railroad issues.

Motion by Alderman Mwilambwe, seconded by Alderman Lower that staff be authorized to proceed with a grant application to US DOT and the Resolution supporting the project and obligating the City to authorize local matching funds up to \$2,900,000 be adopted.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter and Lower.

Nays: None.

Motion carried.

CITY MANAGER'S DISCUSSION: David Hales, City Manager, presented the Council with a document entitled FY 15 CM Proposed Budget – as Revised 4-14-14. These documents would also be placed on the City's web site. There had been budget reductions and restorations. Budget reductions equaled \$1.6 million. He noted that there appeared to be Council support for a local motor fuel tax with these dollars being directed to street resurfacing. In order to balance the budget, the City would need to access \$1.2 million of the fund balance. The Council was provided with specific lists of reductions and restorations. Additional input would be needed to address revenue. He cited the following restorations; three (3) firefighter positions, an Asst. Police Chief, filling the three (3) police patrol officer vacancies and Downtown hire back, and seasonal employees to address park maintenance.

There would be a Special Meeting on Monday, April 21, 2014 which would be focused on the FY 2015 Budget. There would be time for Council discussion and the Council would be requested to take action on the amended FY 2015 Budget.

MAYOR'S DISCUSSION: Mayor Renner addressed the Council. He stated that if no agreement was reached at the April 21, 2014 Special Meeting, then the Council would have to address the FY 2015 Budget at the April 28, 2014 meeting.

The Council would be presented with options at the Special Meeting. He acknowledged that the Council may need the April 28, 2014 meeting to address the FY 2015 Budget. He anticipated a large agenda on April 28, 2014. The Special Meeting would start at 5:30 p.m.

Mayor Renner recognized Alderman Sage's absence.

Mayor Renner thanked Aldermen Stearns, Lower, Black, Sage and Schmidt for hosting Town Hall style meetings on the budget on Tuesday and Wednesday, April 8 and 9, 2014.

Mayor Renner also noted that former Alderman Stephen Purcell had attended this evening's meeting.

He informed the Council that he had toured the loft apartments located at XXX Monroe St. Fred Wollrab and Bobby Vercilla had renovated the building and all of the units were rented.

ALDERMEN'S DISCUSSION: Alderman Stearns noted that the Civil War a/k/a Soldiers and Sailors Monument had appeared on this evening's Council agenda. She noted it was a historic icon which honored veterans. She also recognized the efforts to renovate the Vietnam Memorial. She questioned when the flame would be reinstalled.

John Kennedy, Parks, Recreation and Cultural Arts Director, addressed the Council. The City had received same. He believed that the plan was to install the flame prior to Memorial Day.

Alderman Stearns questioned if the City was hosting a ceremony and what plans had been made.

Mr. Kennedy responded negatively. It was his understanding that the Veterans' groups wanted to plan and coordinate the event.

Alderman Stearns expressed her hope that there would be a ceremony on Memorial Day.

Motion by Alderman Schmidt, seconded by Alderman Lower, that the meeting be adjourned. Time: 9:10 p.m.

Motion carried.

**Tracey Covert
City Clerk**

Motion by Alderman Schmidt, seconded by Alderman Fazzini that the reading of the minutes of the previous Council Proceedings of April 14, 2014 be dispensed with and the minutes approved as printed.

The Mayor directed the clerk to call the roll which resulted in the following:

Ayes: Aldermen Stearns, Mwilambwe, Schmidt, Painter, Lower, Fazzini, Sage, Fruin and Black.

Nays: None.

Motion carried.

The following was presented:

SUBJECT: Bills and Payroll

RECOMMENDATION/MOTION: That the bills and payroll be allowed and orders drawn on the Treasurer for the various amounts as funds are available.

STRATEGIC PLAN LINK: Goal 1. Financially sound City providing quality basic services.

STRATEGIC PLAN SIGNIFICANCE: Objective 1d. City services delivered in the most cost-effective, efficient manner.

BACKGROUND: The list of bills and payrolls will be posted on the City's website on April 24, 2014.

COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED: Not applicable.

FINANCIAL IMPACT: Total disbursements information will be provided via addendum.

Respectfully submitted for Council consideration.
