Trustee Painter requested Sarah Grammer, Normal Township Supervisor, provide an ARC membership report. Mrs. Skillrud responded affirmatively. Trustee Painter questioned the POTS, (Promoting Others to Succeed), recycling program. Mrs. Skillrud explained the program had six to ten, (6 - 10), workfare recipients per work day. In addition, there were two, (2), National Able recipients. The Mission's warehouse rental rate was provided with an explanation of anticipated revenue.

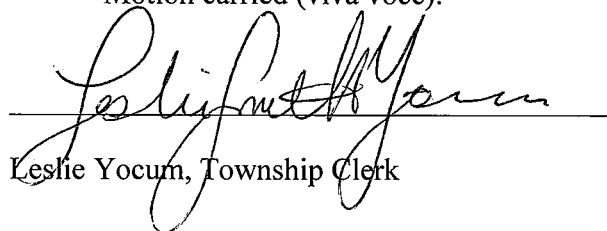

Steve Scudder, Assessor, addressed the Board. His report cited the quantity of residential and commercial parcels, and their assessed values. There was minimal change to report as there had been no new residential developments. The total Equalized Assessed Value, (EAV), for the City had not changed significantly in the last five, (5), years. It has remained around \$2 billion.

Trustee Bray thanked Mr. Scudder for the charts provided. She inquired about the decline shown. Mr. Scudder noted some parcels had been combined.
